**Rally Hungary 2020 – Nyíregyháza**

**Communication from the Stewards No. 1**

---

**From:** the Stewards

**Date:** 03.11.2020

**To:** All Competitors

**Time:** 16:30

---

Due to lockdowns and/or travel restrictions related to Covid 19 pandemia, the 2 FIA stewards will not be able to be physically present at the rally. Only the steward designated by the Hungarian ASN and the steward's secretary will be physically present at Rally HQ in a dedicated stewards room.

Consequently, all stewards meetings will be made in form of video conferences with the application ZOOM.US.

Any requests from a competitor to the stewards will be done in a written form and sent by e-mail to the CoC who will forward it to the stewards.

Any document (communication, summon or decision) concerning one competitor will be sent by the secretary of stewards to the concerned competitor. The designated representative of competitor will have to confirm by an e-mail that the document has been well received.

In case of hearing, the contact with the competitor will be done by ZOOM. The competitor does not need to move to the stewards room and can stay in his place in service park. In the case that the ZOOM meeting would not be possible, the competitor representative will be allowed to go to the stewards room. Only one competitor representative, plus an eventual crew member if required by the case will be allowed in the stewards room.

**For all ERC competitors, please confirm At Team Managers Meeting that you duly installed ZOOM.US on the computer of your designated team representative. For non ERC teams, please confirm this ZOOM installation by e-mail to the CoC ([miklos.lovay@rallyhungary.com](mailto:miklos.lovay@rallyhungary.com))**

Competitors are reminded that the present situation will not affect the work of stewards who will fulfill their duties without restriction according to art. 11.8 of ISC.
