12.1.3 Restart after retirement

Any crew which has failed to complete SSS 1 Rabócsiring - Road Section (Section 1 of Leg 1) may start of Section 2 of Leg 1. The car must report to the overnight Parc Fermé prior to the next Section no later than 1 hour before the scheduled start of Section 2. Re-scrutineering will be 1 hour before the start of the 1st driver into Section 2 of Leg 1.

12.4.1 SSS-Rabócsiring Friday, 6 November 2020, after Ceremonial Start

There is a section of this special stage which has no central separation (refer to the plan in SR). If two cars are running in close proximity when they approach this section of the stage, the Clerk of the Course will immediately authorise the display of red flags / red lights to these cars who must immediately cease competition and reduce speed.

Any crew which is shown a red flag will be given a notional time for the stage according Art. 52 of the FIA Regional Rally Sporting Regulations.

Competitors who cannot complete the stage by their fault (technical, or else) will get a time corresponding the worst time in their group + 5 minutes.

12.4.2 Circuitic Super Special Stage in Nyíregyháza

On SS13 SSS Nyíregyháza crews must follow the roadbook. Crews completing the stage wrong (missing doughnut, cutting track, making less circles, and else) will be forwarded to the Stewards.

12.5.1 Location and organization of service park

In order to preserve the cleanliness of the Service Park, the organiser has the right to check the competitors' service area through the Service Park marshals. When the competitor leaves his service area after the race weekend, he and his team must clean their service area from all the garbage.

In order to ensure this, during the administrative check every driver must pay **100 EUR deposit**. The deposit will be given back in case the driver's team left their service area clean, and the marshal who check the area gives the team a receipt, which proves that the area is clean and the environment is unharmed. This receipt shall be presented at the Rally Office during the opening hours of the office in order to receive the deposit back. After the closing of the Rally Office at the end of the weekend, the deposit is not refundable. In case of a common service with 2 or more drivers on the same service area, each driver gets their own receipt.
