PROLOGUE

THE RETROSPECTIVE GLANCE AT THAT FABULOUS ERA OF OUR PARENTS—"THE ROARING TWENTIES"—IS WHIMSICAL, TO BE SURE. THE CLASS OF 1956, REPRESENTING A POSTWAR GENERATION, LOOKS BACK AT ANOTHER POSTWAR GENERATION AND FINDS AMUSEMENT IN THE CONTRAST BUT ALSO A SALUTARY NOTE OF ANTICIPATION. HOW WILL THE YEAR 1986 REGARD THE YEAR 1956? WE OFFER OUR KENTORIAL AS EVIDENCE OF HIGH SCHOOL YEARS THAT ARE REPLETE WITH CHERISHED MEMORIES—AND WHATEVER BE THE OPINION OF POSTERITY—TO US THIS WAS LIFE AT ITS BEST!

Principal

The class of 1956 wishes to add its voice to that of classes in the past who have expressed their appreciation to our principal, Mr. Frazier, for his interest in our well being. His willingness to give ear to our requests, no matter how trivial, is only one indication of his devotion to the students welfare and we are glad to take this opportunity in our school annual to tell him so.

Mr. Rolland Gladieux
Assistant Principal

Equally as deserving of our praise and appreciation is our genial vice-principal, Mr. Gladieux. Though his excellent teaching is missed by all, it is good to know that he is still available as a guide and advisor, and his sympathetic handling of students ranges from the extremes of the Honor Society to the school delinquents, which must take versatility. We are glad that Mr. Gladieux has it.

These are the "brains"—! For three years, they've crammed their prodigious gray matter full of formulae, equations and dates (historic, that is). Their parents have also paid for gallons of midnight oil burned up in the process. After lots of work and with a touch of ability, these young people have hit the top in scholarship and therefore have gained the coveted membership in the Honor Club.

NATIONAL HONOR SOCIETY

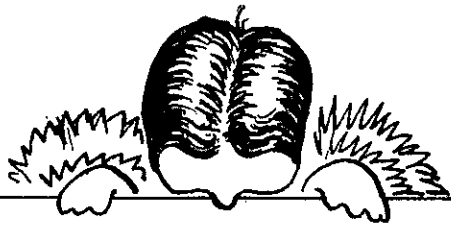

These are the leaders of the class of '56, and their much honored sponsor, Mr. Gladieux. Membership in the National Honor Society is not easy to achieve, but these people have made it . . . and are expected to "make it" in years to come. When all have reached fame in '86, will they be remembered as the "book-worms," or as the zany fun-lovin' kids they really are?

CLASS

Why does that little man keep watching us? I know . . . he's one of those underclassmen just waiting for all those mysterious bequests which we as Seniors are about to bestow upon him. Thus in such manner:

Barb Dale bequeaths those "Dry Bones" to the Cafeteria Staff.

Sadly relinquishing his collection of science fiction, Jack Braun rockets to Mars.

"Gunner" Goergen leaves for the artillery.

Judy Mitten wills her glove to anyone of the same size.

Dick Farmer wills his "spark" to any other dull "Plug."

Carole Marshlow leaves her ability to climb trees with a car.

Pat Blust and Audrey Jozwiak leave to start a gum-cracking band for Mr. McLaughlin.

Carol LaMotte sadly vacates her office of the "broken-down car club."

Joy Cameron takes everything with her.

Bob Hannon leaves his nerves of steel to those who wish to pursue the study of psychiatry.

Judy and Myrna Gale leave . . . the midnight oil still burning.

Jim Owen donates his big black cigars to the pizza-highball societies of forth-coming years.

Judy Eiken can't leave; she missed the bus.

Jerry Goldberg leaves poor Jack Latona frustrated.

Bewitched, bothered, and bewildered, Nancy Burgo goes forth from Mr. Mooshie's class.

Luhman's Thunderbird peals off carrying "Peter" Simpson and "Agnes" Smith.

WILL

Ann Alcock leaves to perfect her sequel to "Ozzie and Harriet."

Leroy Leeds donates his well-worn toboggan to any future adventurers who care to follow Alan Krueger's example.

"Cow" Leixner leaves his salt lick to anyone who can shoot enough bull to earn it next year.

In spite of the many protests from his fans, Monk vacates his post as president of the Jim McConkey sorority.

Jeanette Cooper leaves to continue her search for little lost William.

Cheri Male leaves her "ox" to Miss Schwabe's laboratory, she hopes.

"Swede" Olson wills her voice to "Froggie" Schultz.

Bob Nye runs away in fear of having his bubbles burst.

Sunny Winters leaves to fulfill Mr. Mooshies's ambition for a president greater than Wilson.

Sylvia "Shanghai Mamie" Barrett leaves to destroy all white ribbons of young sailors.

Gail Zimmerman leaves with the money.

Diane La Duca leaves her midnight curfew to next year's Cinderella.

The quietly sweet personalities of Anita Edlund and Betty Lou Suttell leave without having had their magic influence Pat Tice.

Midge Knapp leaves Mildred.

Barb Wilson leaves for the happy hunting ground.

Pauline Lawrence leaves . . . good-bye, "P. L."

Doug King, Kenmore zoo-keeper, will be glad to hear that Joan Goller and Marilyn Butler bequeath their five white elephants, wondering if anyone will turn them pink.

We, as a class, take our advisors, Mr. Roth and Mr. Schneider, with us.

Barb McKay leaves all the dirty paintbrushes for next year's Booster Club president to clean.

FLASH BACK GAZETTE

KENMORE, NEW YORK

JUNE 13, 196

Spectacular Opens

The new musical hit *MINNESOTA*, by Leeds, Leixner, and Son, appearing currently at the Bachtel Theater, stars Miss Judy Eiken in the famous role of "Zeikenowski." Sylvia Barrett does an excellent job at curtain pulling, and her absence is felt after the third act when she retires to the Doepp Building to produce her new television series "Wrestling Can Be Fun." Don Joslyn and Pat Branchley do a superb job illustrating techniques.

Movie Censored

The Goller production of Mildred Knapp's recent book, *Inside Football*, has been banned because of unrealistic football tackles. Considering the experts writing and producing, this argument hardly seems credible. Judge Joseph Tocke will preside over the case when it comes to court Tuesday.

Stork Club

The new quintuplets of Mr. and Mrs. Gary Warner, formerly Miss Virginia Hagan of Kenmore, will appear in a motion picture illustrating Luhman's theory of relativity.

The former Gale twins' twins were born today; thus, bringing a geometric progression home.

New Dean Appointed

Miss Barbara Wilson has recently been appointed to succeed Arthur Plant as the Dean of Intramural Sports and other Extra-curricular activities at St. Lawrence University. She has been picked for the job because of her previous experience in these fields.

Farm News

A record of Burgasser apples in Cowles County was reported today by Judy Baumgarten.

Molly Dolan, Queen of the Festival of Edlund turnips, reigned with Bob Frary, King of Wit and Humor (Half humor and half wit!). A silver cup was awarded to Jackie Hastrich for outstanding contributions in the field of tree spraying. She accredits her success to Juberts Bug Juice especially prepared by the Krueger and Kurzweg Kompany. Mayor Lockey gave the key to MacDonald's Plumbing, Inc. to Linda Ryan who has trouble with the kitchen facilities.

Rancher Sues

Thomas Schober, industrious cultivator of Siberian goats, today filed suit against Green and Daughter, producers of Green's Grass of Wyoming. Schober claims the grass gets too high for the goats and impedes their travel to and from the butchering pen.

Business Reports

The stock of the newly formed corporation of McKay, Simpson and Zimmerman for megaphone production has zoomed sky-high. New discoveries in sound transmission by Sue Olson have increased popular demand.

Marilyn Butler, recently appointed editor of Roesch Publications issued this formal statement today, "Jump-roping the globe for subtitles, I do not plan to use the telegraph."

It was recently reported that the Harvey Diamond Company is on the rocks.

Bob Ackerman recently patented a new student aid definitely guaranteed to learn and recite vocabulary.

In 1902, 17,003 bushels of yams were grown in the gold coast.

Election Returns

In the hotly contested election for dogcatcher, A. J. Latona won a smashing victory over incumbent Jerry Goldberg. Experts claim Latona's recent speech, "The Inherent Superiority of the Dachshund" won the election for him.

Lingel Winters was chosen over Jim Babcock for head weather

man for the White House to everything "Sunny."

The city's gold whisk broom dust pan were given to Stadel as a token of appreciation for her work on the recent S.F.U. (Save Crumbs for F.U.) Campaign.

BULLETIN:

Gang Captured

City gang leader, Gail Nablo, was nabbed today by Don Deuell's Racket Squad, and together they played a set on the court. Very little information is known at the moment, but Nancy Burgio, Marie Ego, Pat Fisher, and Priscilla Hillman are still thought to be in town.

Frank Todd Disappears

Multi-millionaire Frank Todd recently disappeared. He was last seen aboard the U.S.S. Hrykowian, of the Spanish fleet, which left Jackson Harbor, Maine, last week. Heading for Bongo Bongo, a mere Dent in the African coast, he had hoped to have an appointment with its Queen Karen Maxson who, unfortunately, had a previous engagement.

While en route, Mr. Todd had declared that he had never had such a wonderful trip. However, when the ship docked at Bongo Bongo, a Reifel shot was heard and crews were sent to investigate. No trace of Frank could be found. Have you seen this man? If so, contact Don Root of the nearest truant office.

Wedding of the Month

Millionairess Judie Groat wed Monarch John Make Monaco next month. Miss G accumulated fortune rises the insurance policies of late husbands: Band leader D Webb, Mattress Manuf James Schraven, and C Breeder Dennis Vanderwerf. Nusbaum will perform the money on a floating casino on River Ings, famous for its picturesque curves.

Racing Form

Today at 2:00 p.m. in Gill Stadium, Pat Tice defended her position as champion of the Wildats—National Wreckless Driving Society. Competing against her were Gifford, La Motte, Shaw and unfried. Referee Bob Nye held the signals while the women raced their motors. Brian O'Bannon blew the whistle. All stalled! The race continued to a blood-curdling climax as Tice won. The car did not. Diane Haldeman was on hand to congratulate the weary vehicle as it limped to home plate. (The automobile was later salvaged by Gibson Hospital for Sick Cars.)

Teacups Seen

Corinne Turcotte, while sitting in Parks Lap Avenue, reported seeing teacups. Her statement shocked Professor Thomas Woleagle, who claims only flying pterosaurs exist.

Visitors to Mount Pauly Observatory saw a reoccurrence of the teacups, which are being investigated by Physicist Barbara Dale.

Help Wanted

Experienced hikers needed for Daley's Shoe-Sole Testing, Inc. Pay good. Testing takes one to picturesque rural areas. Working conditions excellent. Inquire within.

Fashion News

The new Ebeling look is taking the nation by storm. Never has the inverted triangle been so popular. Tight skirts and blouses featuring heavy shoulder padding liberally employed were modeled by Misses P. Biernat, S. Smith, J. Randolph, and J. Cameron at the private showing in the home of Miss Linda L. Maischoss.

Men's fashions, featuring Bermudas, striped T-shirts, and plaid ties were exhibited by noted designers Sam Sanders and Dean Pfennig. The dress ensemble demonstrated the popularity of trousers shortened to mid-calf. "Dimples" Winters, Bob Friedman, and Cameron Benson modeled these new styles destined to be the rage.

Hats by Beebe were modeled by Misses Brenda Dorsch, Duane Cook, and Carol Guzzo. The style trend seems to be toward the picture window effect: lots of money but nothing to show for it. Accessories by Dickens added weight to each costume.

Teacher Feted

Miss Marguerite Grichen will be feted at a buffet luncheon given in honor of her becoming the head of the Mathematics Department of the new Hanes-Hopps High School. Miss Grichen's interest in higher mathematics was stimulated while studying advanced algebra at the old Kenmore Senior High School.

OLYMPICS!

At the Olympic games, this year held at Hammondville, police chief Bob Eggleston reported a slight disturbance in the women's quarters. Entrants in the figureskating division, Jim McConkey, Ken Schimpf, and Bill Klaus, were held for questioning in regard to the raid in which three Hanford hockey sticks and two square pucks disappeared.

Captain Lorrie Wasserman and her Rough Raiders, including Jeanette Engelfried, Shelby Anderson, Judy Marshall, and Mary Dobso, captured first place in the championship hockey tournament held in Watson's Colosseum.

Tips on the Hits

Joni Miner's new album "Bird Calls from WallaWalla," skillfully edited by naturalist Dick Farmer, is a sure family favorite.

Pat Bourassa, accompanied by the Riter String Quartet with Cymbals, sings Judy Anderson's new ballad "Lament of a Canadian Farmer."

The recent film spectacle "Up In the Air, Junior Birdsmen," taken from Cheri Male's best-seller, produced by Brown and Burke, and directed by Ann Elizabeth Lewis, stars Jeannette Cooper as the thwarted woman, Jim Pollard in the title role, and Pauline Lawrence as the temptress. It's bound to be a smash hit, critic Bob Hannon reported.

The Ivy College Glee Club, featuring Bob Bulger, Dave Quider, and Byron and Roy Swerdfeger, stars Jim Owen as guest soloist. Intermittent piano solos will be offered by Connie Delaney, accompanied by Elaine Merritt on the saxophone, when the group appears here next week.

Hill-Billy yodeler, Vince Venetian, has just finished a new album for MG. Carl Antos, accompanist, has just been admitted to Belvue.

Lost and Found

Lost: One Latin IV textbook. As a reward, the finder may keep it. The owner's failed already.

Found: One well-used skin-diving outfit. Although the rubber is decaying and the snorkel does not work, it may prove invaluable to a grounded fish.

In the exciting dog-paddle race the dynamic duo of Stouffer and Mather nosed out the opposition: Wardwell and Roop. Nevertheless the opposing team of Cowan and Cohan creamed Tatnall and Smith in the shallow diving contest.

Bob Fiorella won the pea shooting contest by a long shot.

In the dice event, the women's team of Wootton, Allen, and Marshlow scored over the team of Keith, LaDuca and Maier by a series of snake-eyes.

In the exciting, breath-taking tight-rope walking contest, Jol Morrison, Fred Payle, and Dick Kirkwood captured the first three places.

Mike Woods and Bill Wiley tied for first in the leapfrog event.

In the spectacular finale, Marg Hylinger and Skip Amann were crowned King and Queen. Attendants were Joan Ward as flower girl and Karl Scharnweber as page. A thirty gun salute was given to contestants by artillery expert Gunner Goergen.

Roger Himmel used his hot air to blow balloons which were the source of amusement for all.

THE PATHS WE WALKED

I walk the paths of memory
And dwell again in nonexistence.
And I remember—sigh to remember
The shining years, the happy years
When wit was sharpened to a point,
And love danced down the halls
Hand in hand with Cicero and Euclid.
With eons of experience behind me,
I muse upon the adolescent
Who scorned discipline and authority,
Thinking teachers and tyranny synonyms,
And I smile wryly at the picture.
I send a silent apology to the teachers,
A belated; heartfelt thanks to those
Who gave their lives to ready us
To anticipate a gloomy world
As a glowing, shining Promised Land
Waiting for the Conqueror.

I count the precious memories
Of irresponsibility; the days
When the P. A. dictated my life;
When infatuation and algebra,
Bunny hops and basketballs,
Notes and knee-bends,
T-squares and Tinsel Balls
Composed my whole existence.

When I pore over all these things
I wince; I smile; I cry
To remember years of learning
In a Life book and a sigh.
I long to live them over
As I lived them once before,
For I'd never, never change them,
Those jaunty years of yore—
But alas, I'm older now
And custom shackles me,
But I'll look back with wistful eye
On the radiant memory . . .
And I shall heave a longing sigh
For it's just . . . a memory.

The Kenitorial is pleased to devote this page to these members of the Senior Class who have achieved these honors and have added to a creditable list of honors and scholarships that Kenmore High students have won in the past. No doubt, other honors will have been won by other students before the school year ends, and we are sorry that those names cannot be included on this page. We trust, however, that this tribute is to be extended to all those who will share in similar honors and that they may know how proud we are to acknowledge their merits.

Mr. Clarke

In addition to the many assemblies and dances that our school Student Council has put into effect, has been the formation of the Inter-School Student Council. To add to the honors, Sunny Winters was elected president of the group. We all owe our superlative student leaders a vote of thanks for the marvelous work they've done this year.

KENITORIAL EDITORS

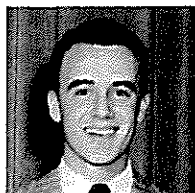

KENITORIAL STAFF

These are the workers; the future editors of the *Kenitorial*. Pity these poor souls—they've scoured the town looking for patrons and ads; they've typed their cotton-pickin' fingers to the bone; and they never get any recognition. Well, we'll salute them right now—they've done a fine job.

You ask what the first word is that's heard at meetings? "Food!" as the boys bang their mugs on the table. After they've been pacified, their business meetings show surprising results in the form of countless charitable activities, among which was a Christmas party for the kids down at the Crippled Children's Guild. After meeting, the guys depart to pester Girls' Hi-Y until they get fed again.

Y-TEEN

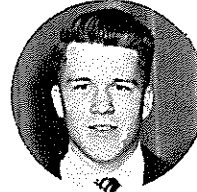

The Senior Girls' Y-Teens is one of the prominent extra-curricular organizations of our fair school. Its purpose is the bringing about of a oneness among all people, and a betterment of their lives and community. The leader is Miss Helen Brown, and the sponsor, the Y.W.C.A., offering to all girls a fun-packed schedule of dances, sports activities, gossip and service projects.

These smiling faces belong to the members of the Key Club, a group dedicated to serving the school and community. Sponsored by the Kiwanis Club and led by Mr. Hyatt, these boys can be found busily engaged in such projects as ushering for wrestling bouts and class shows, as well as conducting their annual Bicycle Safety Campaign in the elementary schools of the area.

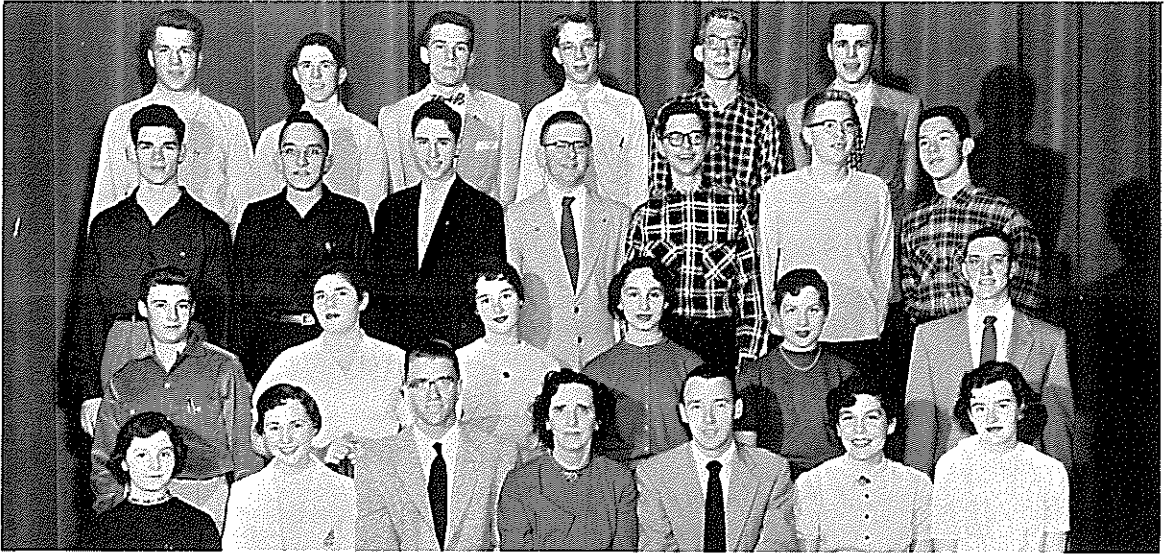

THESPIANS

Contrary to popular belief, Thespians don't grope down the halls immersed in tomes of Greek drama. In addition to learning more about the theatre, Miss Strong's Barrymores and Bernhardts have many chuckles. Any of the officers, say—President Jim Pollard, or Vice-President Morag Holman, or even Secretary Sylvia Barrett, or maybe Treasurer Don Brown will tell you that acting is definitely not for sissies.

MATH CLUB

Every Wednesday night, the Einsteins of Kenmore High go to work figuring the shortest distance between two points. Miss Jones' and Mr. Hyatt's purpose in directing the Math Club is to further the learning of higher mathematics. The council, composed of Bob Goergen, president; Nancy Burgio, vice-president; and Gail Zimmerman, secretary-treasurer, chooses the representatives to the Inter-School Math Society's monthly meetings.

SANS SOUCI

"Sans Souci" does not truly describe our "cercle," for we do have some serious purposes along with our fun and non-chalance. Some annual events, directed by Miss Conn and our officers, which give us both fun and satisfaction are sending CARE packages, Christmas caroling, and preparing our skit for the International Banquet, all of which are carried out with a certain "joi de vivre."

APOSTULI ROMULI

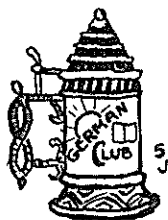

Consul Barb Wilson *Consul* Tim Brand *Quaestor* Gail Zimmerman *Aedile* Ann Milner

Never say "Latin is a dead language" to these people, especially to Miss Barrows, their advisor, who knows more about it than anybody. Latin becomes very lively indeed for these Apostles of Romulus, who learn all about the vagaries of ancient Rome at their Wednesday night meetings. They can tell you, when in Rome, how to do as the Romans do.

Egad! Once again the whole school is aroused by the strains of "The Schnitzelbank Song" when President Jud Koehler's arm becomes weary of pointing das Schones Ding, Secretary Ruthie Oskin reads the minutes, if she can translate them. As "Honest Sarmite" Juberts wrings the dues from the members, our vice-president Pete Sweatt strides in just in time for folk dances, directed by Miss Harms and her new book. Thus is a care-free meeting of the German Club of Kenmore conducted.

"Wash yer brush when ya get through with it, clamhead!" "Where's the cotton-pickin' clay?" Miss Chase's Art Round Table has once again convened. The duties of President Jack Doepp and "Veep" Don Kaminski consist mainly of talking back to irate janitors who have to scrape ceramic clay off the lightbulbs, and arguing over who painted "Elegy In A Country Churchyard." Ronald, "J. Pierpont," Kaminski collects the dues needed to make up the twenty-five-bean prize awarded to the best art folder, and Barb Stanley records the vagaries of our happy little colony. All branches of art, including finger-painting, are taken up on these Wednesday afternoons.

KENISCOPE

Six times a year K.H.S. students are treated to the latest on clubs, sports, stories, and advice on such inspiring subjects as "Hang your teacher in effigy! Send ten lire and a box-dog to the editors, and ask for Pamphlet 2367088." Since Advisor Miss Holmes and Editors Marilyn Butler and Charles Erb work so hard, there is no excuse for a misinformed student—or parent, either, for that matter.

ALPHA PHI LAMBDA

These are the faces that will adorn the bookjackets of best-sellers in years to come. Scares you, doesn't it? This organization, sponsored by Miss Chittenden, endeavors to promote and encourage creative writing. You even have to write to join. Their annual publication, "The Flame," is a magazine containing the best of the members' year's work. Inherent male superiority, phooey! Look at these officers: Carolyn Hansen, president; Judy Bloethe, vice-president; Judy Lengfelder, secretary; and Charlotte Wheatley, treasurer.

BOOK PAGES

Mrs. Peck and Miss Easterbrook's Book Pages is one of the service clubs around school which is almost taken for granted. Their library duties include taking attendance and checking books, among other things. You will find members in the library at all times, ready to help you turn over a new leaf regarding your study habits.

DANCE BAND

"All right, Paul Whiteman take off that derby and give the down beat."

"That's no derby, that's my mute."

"Well, forget it and let's get started. I wanta do 'Mickey Mouse'."

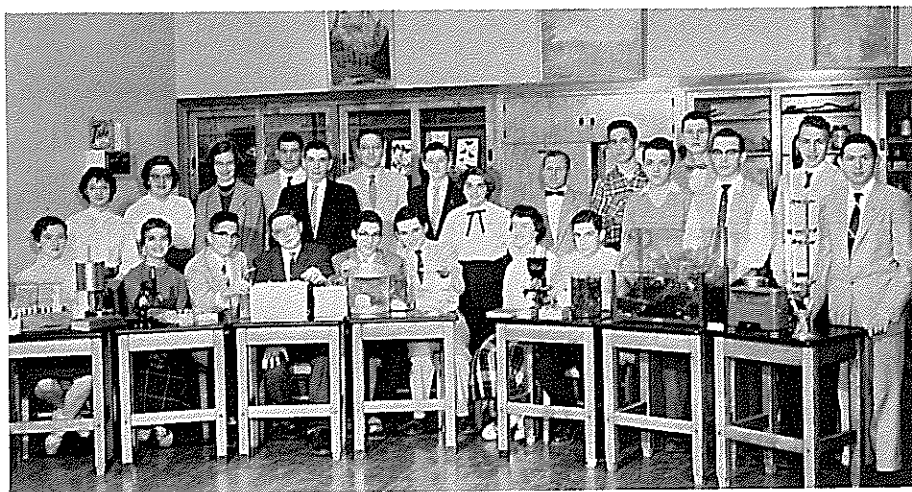

And so starts another dance, syncopated by the Kenmore High Dance Band, and Mr. Chappell. Considering the sanity of all involved, they do a marvellous job!

SCHOLARSHIP CLUB

As this group studies and listens, they hope to keep up the superlative record set by preceding classes in the winning of scholarships. Every Tuesday night, Scholarship Club meets to study anything from math to music, and tries to cram a summary of one very broad subject into a few hours.

BIOLOGY CLUB

Miss Schwabe's Biology Club meets every Thursday night to work on such projects as chemical gardening, watching petri dishes grow moldy, consulting vitamin charts, making blood counts and lip reading. By this, interest in Biology is cultivated through projects of the students' own choice, which is the club's purpose. The officers are: Doug King, president; Anita Edlund, vice-president; Otis Blaumanis, treasurer; and Barb Smith, secretary. Their duties consist mainly of cleaning the cages and raising money for more plants.

CHEMISTRY CLUB

A mushroom cloud lifts, and to the accompaniment of a Geiger counter's click, we find Mr. Clarke and his Chemistry Club. It would seem that he has just shown a movie concerning the futility of trying to mix oil and water, for the members' eyes are tear-filled. The actual cause of this is some slob dropping a tear-gas bomb. The purpose of this bunch of party-goers is to promote scientific methods. Prospective members will please send one box of cookies and a thesis on radioactivity to Mr. Clarke, Room 346.

SR. GIRLS' LITERARY CLUB

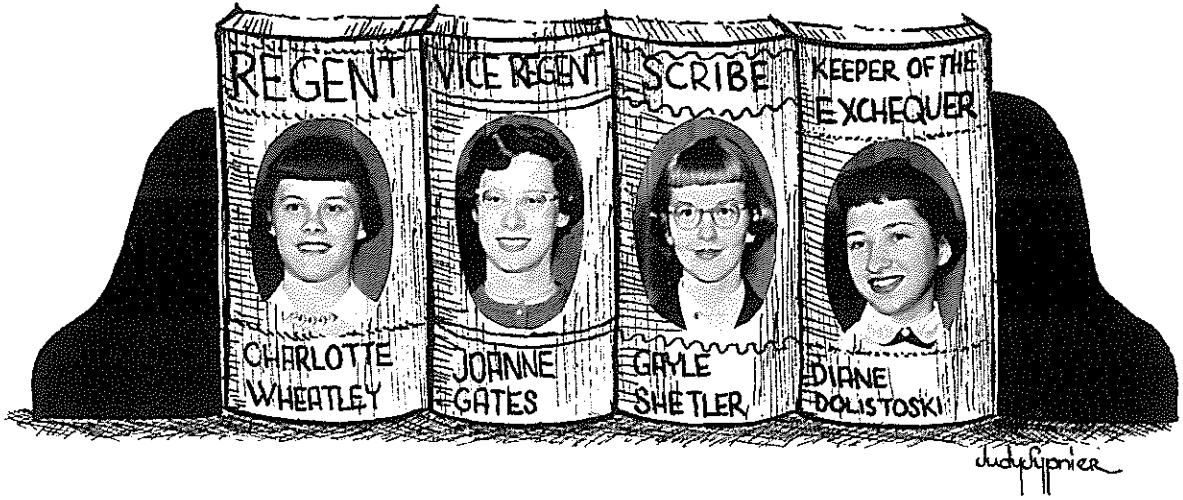

"To learn to know good and true in the literature of all lands, old and new; to try to glean some knowledge from all I read, endeavor to be fair, from prejudice freed, and yearn to know the truth as taught."

This is a part of the creed of one of Kenmore's largest organizations, both sections of which are sponsored by Miss Scott. Some of the activities which both Junior and Senior Girls' Literary Clubs carry out at different times are: an annual English Teachers' Tea,

JR. GIRLS' LITERARY CLUB

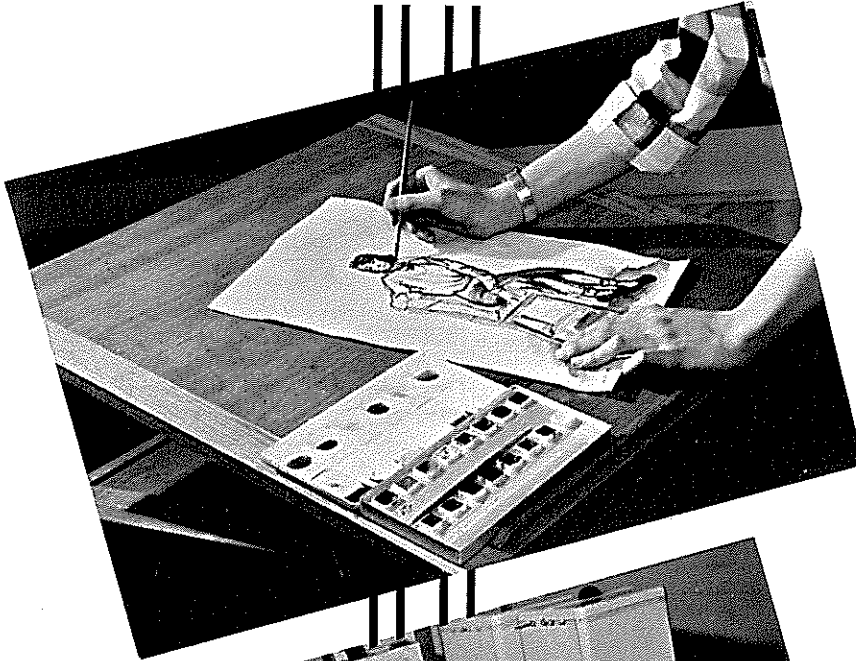

various bake sales, an annual Mothers' Tea, charity work, and a banquet in June in which both clubs join.

The meetings help the girls to like and understand literature better by dramatizations, book reports, quizzes or masquerades. This year's program for the Seniors was based on the theme "Literary Newcomers." The Juniors' meetings were planned around "The Woman I Want To Be."

CHOIR

The cream of the female voices scored a smashing success this winter with their rendition of "A Snow Legend," following it up with a very enjoyable Easter program. Though they work hard, for Snow Legends don't come easily, the girls' choir has just as much fun in performing as the audience has in listening.

ORCHESTRA

As the result of countless music lessons and practicing when the rest of the kids were outside, Mr. Ortolano's orchestra provides music for the critical student ear—and the indulgent parent ear. The hard-won fruits of their labor are exhibited in various school and evening assemblies.

CONCERT BAND

If you like Glenn Miller or Hoagy Carmicheal, this is the place for you. Through the years, Mr. Chappell's brass blowers have run the gamut of band music, from dixieland to semi-classical. The results of a semester or two of work are noticeable in the annual concert band assembly, to which students come to mock and remain enthralled.

GLEE CLUB

What is any gathering without males? You now see before you the backbone of the choral ensemble, the Glee Club. As the crust is to pizza, so are Mac's minstrels' to the chorus. They're indispensable, from "The Halls of Ivy" to "Peter Gray."

FUTURE TEACHERS

~ Before ~

~ After ~

Contrary to wanting revenge, these people have a real desire to further education. Opportunities for development on the chalkdust trail are provided this year by President Judy Anderson, vice-president Molly Dolan, secretary Marilyn Butler, treasurer Diâne La Duca, librarian Joan Goller, historian Bill Klaus, and Advisors Miss Moritz and Mr. Roth, in the form of field trips, visits by exchange students and other speakers, panel discussions and movies.

FUTURE NURSES

Before

After

Mrs. Jackson's Future Nurses Club gives girls who are interested in nursing an opportunity to explore its various fields. Various types of nurses speak to them, and they visit different hospitals. Officers Barb Mates, Mary Lucas, Marion Fulmines and Joann Appleton steer the future Florence Nightingales down the antiseptic trail.

"BECAUSE THEIR HEARTS WERE PURE"

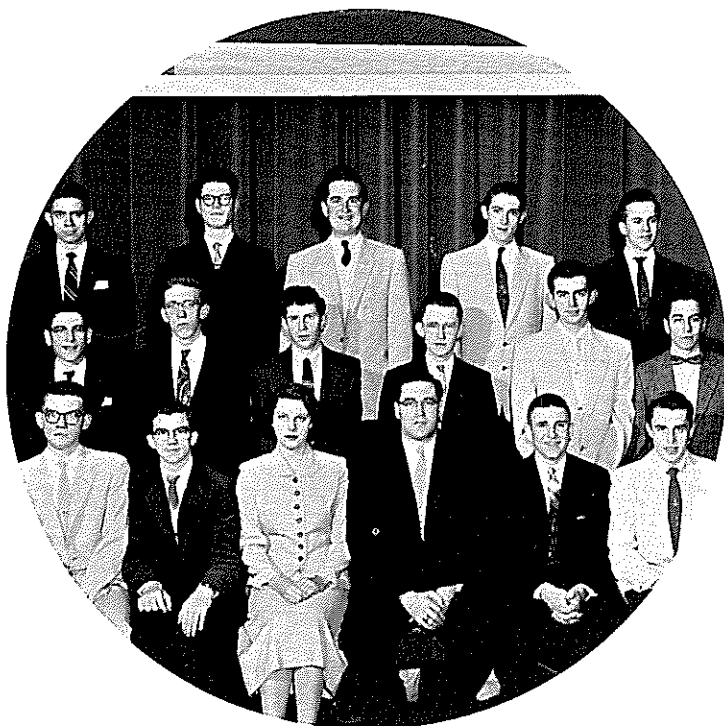

One of Miss Strong's biggest successes was this year's All-School Play, "Because Their Hearts Were Pure." Everyone enjoyed the old-fashioned melodrama, starring Jim Pollard and Linda Hegmann as the hero and heroine, and Don Brown as the black-hearted villain. As a result, "Oh, horror!" has become a by-word at Kenmore.

STAGE CREW

As you watched Joni Miner sing in one of the class shows, did you ever wonder who was behind that spotlight? You didn't? Neither did I, but here they are, our long-suffering stage crew. Though their patience is tried sorely when class show time rolls around, they refrain from causing complete blackouts and remain indispensable to the Kenmore High stage.

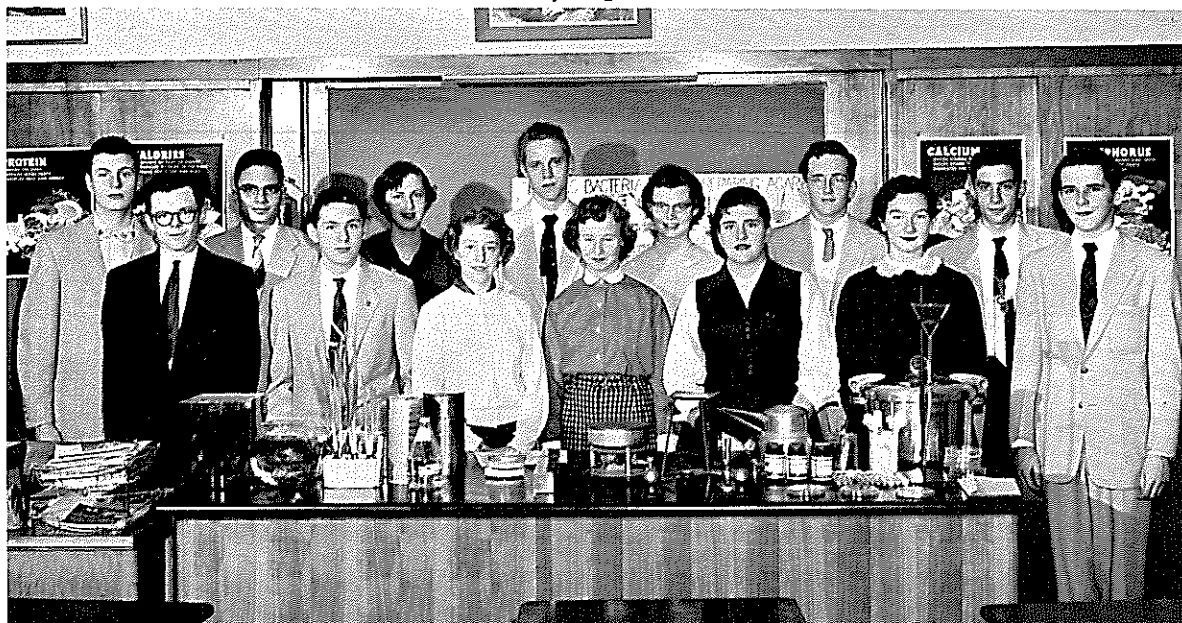

INDUSTRIAL CLUB

These juniors and seniors, aided and abetted by Mr. Blake, have succeeded in touring such imposing structures as Dunlop, Republic Steel, and the Corning Glass Center. The purpose of Craig Mitts, president; Judy Jansen, secretary; Mike Werdein, treasurer; and the other industrialists is to acquire an idea of how engineering and science fit into industry. Maybe someday we'll be able to complain to these people if the Niagara Falls odors become intolerable.

LAB SQUAD

1956

The members of this group of a dozen alert, progressive students give up study hall and after-school time to assist in the science laboratory. They prepare demonstration material, set up experiments, check papers, keep files, care for the birds and bees, and in general keep the lab in good running order. Also, this group is responsible for those bulletin board and showcase displays. Since they don't get paid, we think it's rather nice of them.

SPORTSMANSHIP COUNCIL REPRESENTATIVES

The Sportsmanship Council, to which Barb McKay, Andrea Rosenstiel, Don Kaminski, and Brian O'Bannon are representatives, meets twice every year. Their duty is to exchange ideas for the promotion of sportsmanship in the N.F.L. schools. It is this group which awards the sportsmanship trophy at the end of the sports season.

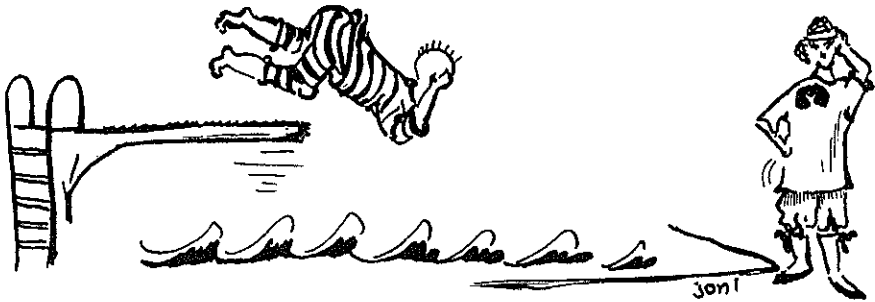

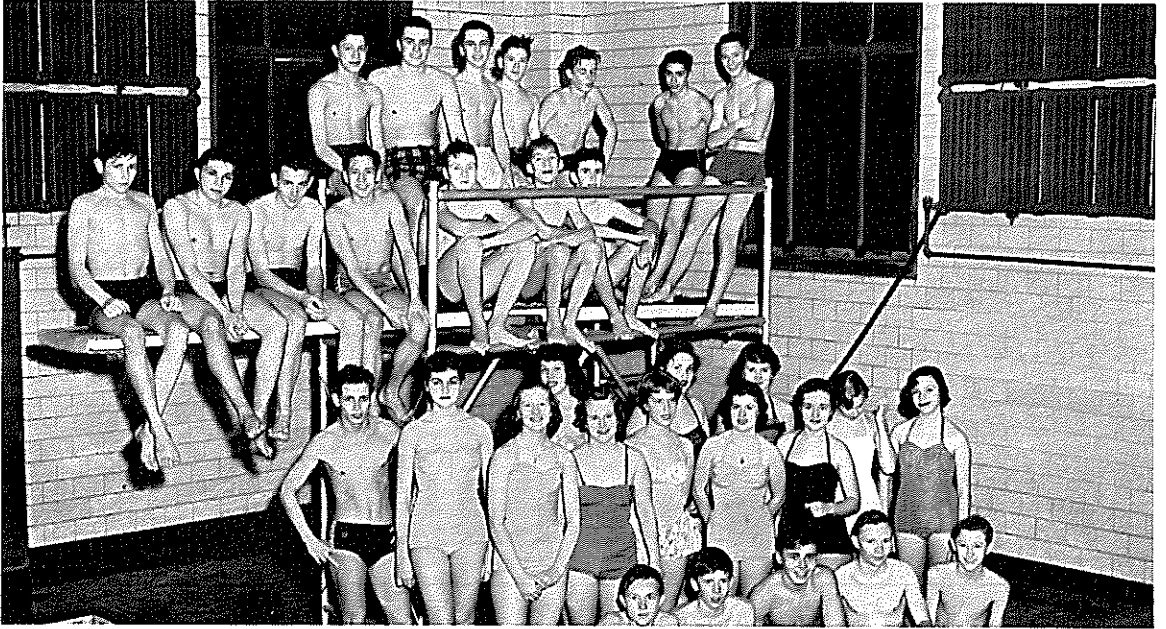

PHOTOGRAPHY CLUB

A good many of the photographs used in this yearbook are the results of Mr. Palmer's shutterbugs' peeping around corners. As the group, headed by Larry Okun, president; Dave Moody, secretary; and Vince Di Pasquale, treasurer, are educated about cameras, film, and processing, they have exhibits, print competitions and field trips.

CO-ED SWIM

Zow! Sproin-n-ng! Splash! and another candidate for Davy Jones' Locker hits the surface. These are the lucky dogs that use the pool every Thursday evening, when it's been all warmed up for classes all day. Consequently, they cavort without a shiver, and get dunked (when the "guard" isn't looking) without a complaint.

MODEL UNITED NATIONS

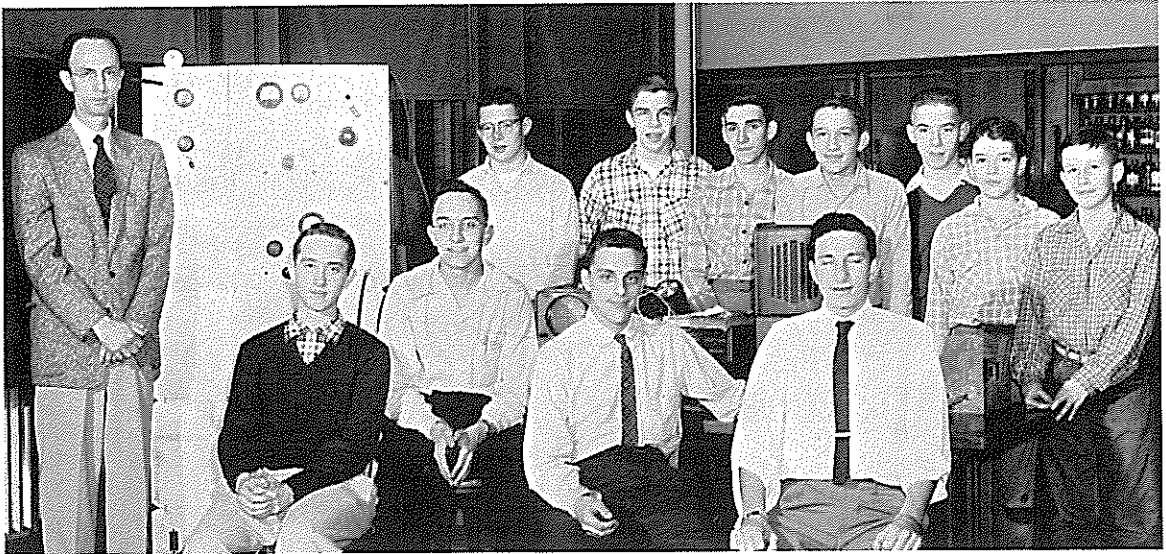

"The chair recognizes the delegate from the Ukraine."

"Oh, excuse me!" (slam!) "Dog-bone! Could have sworn there was a Kenmore club meeting in there!"

He was right, of course. That's the Model United Nations General Assembly. The big event is held annually at State Teacher's College by the Buffalo Council on World Affairs. Our group, appropriately enough, is sponsored by two of Kenmore's outstanding citizenship instructors, Mr. Dyer and Mr. Silsby.

RADIO CLUB

Ever wonder what that mess of plumbing perched on our school roof is for, or what those queer sounds every Thursday night signify? Well, the overgrown T.V. antenna beams the voices of the K.H.S. "hams" to places all over the world, and the sounds are the voices or code signals of the stations they contact. Mr. Wessell's Radio Club provides training in code and theory plus a well-equipped station for anyone interested in a really fascinating hobby.

AQUACADE CLUB

This group of mermaids is picked by test early in the year, and puts on a really fine performance in Kenmore High School's annual Aquacade. They really work, along with the art and lighting staff, to bring you a professional show, so don't plan on trying out if you think it'll be just fun. Though, of course, it's fun, too.

SERVICE TEENS

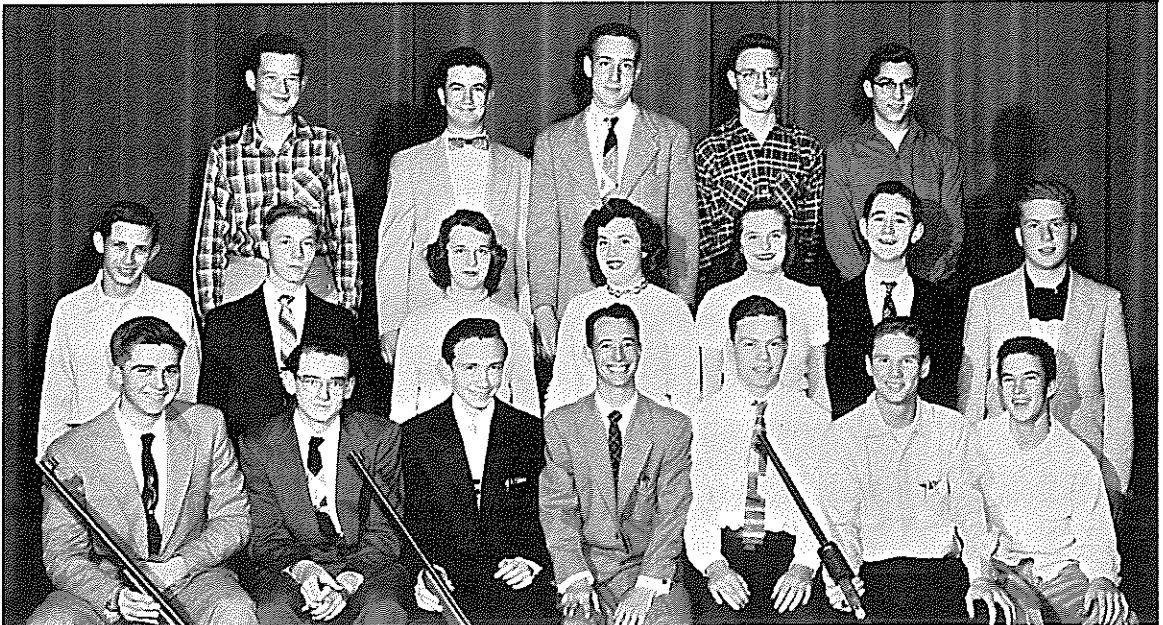

A new and much needed addition to our extra-curricular activities is the Service Teens. Under the direction of their advisor, Miss Elson, the girls carry on many charitable activities such as packing Red Cross boxes, acquainting girls new to Kenmore with our clubs and activities, and generally helping out wherever they are needed.

BOYS' BOWLING

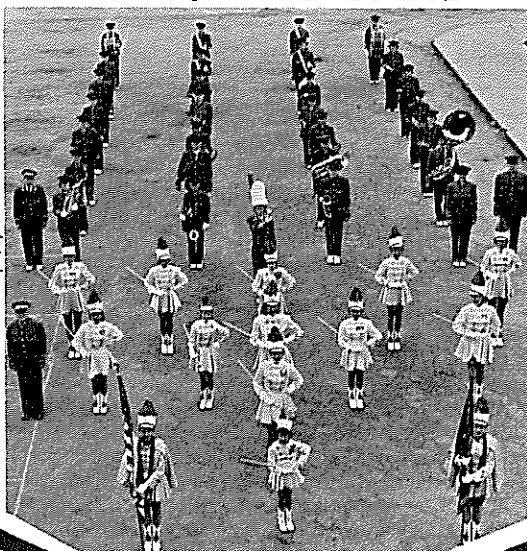

Do they ever get mad and deliberately aim for the pin-boys? You'll have to ask them, but most of these boys don't find cause to get mad. When the Boy Bowlers invade the alleys, you'd think Rip Van Winkle's mythical bowlers were back in the saddle again. And they rack up scores to correspond with the legendary thunder.

RIFLE CLUB

This year the Rifle Club is headed by a new instructor, Mr. H. David Leake, (wonder what happened to the old one . . .) who is a science teacher at Junior High. The members of this club are the worst possible ones to choose for enemies, especially the officers, if they're chosen for ability. These are: Peter Goddard, president; Ronald Beebe, vice-president; Richard Storey, range officer; Leonard Lewandowski, secretary; and James Dallas, treasurer. The club's function is to promote better sportsmanship along with greater marksmanship.

MARCHING BAND

Judy Supnier

Led by Drum Major Gayle Shetler, our Blue Devil marching band supplies colorful half-time activity at our football games, besides representing Kenmore High at community parades. At the close of each season, a party is given to show appreciation to Mr. Chappell and Mr. Chandler, and to reward the members for a season of hard work.

TWIRLING CLUB

MAJORETTES

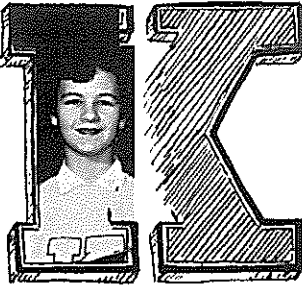

Thud! Another baton bites the dust. This grows less frequent as "Pops" Chandler teaches the girls to strut their stuff. Examples of his guidance are Ginnie Hagan as Head Majorette, Gay Geis as Lead Strutter, Elaine Ward, Lead Twirler, and all the other future queens of the half-time.

These are the members of one of Kenmore High School's most respected groups, Varsity Club. Throughout the years the boys of this organization have established and maintained an enviable record in both the school and community. Membership is granted to the boy who has received a varsity letter for participation in any of the various major sports. Among its numerable activities have been: the co-sponsorship of the Football Dance, selling football and basketball programs and pencils, and sponsoring

a Father and Son Sports Night. The annual alumni banquet also proves to be eventful and entertaining to the "old alums" and new lettermen alike.

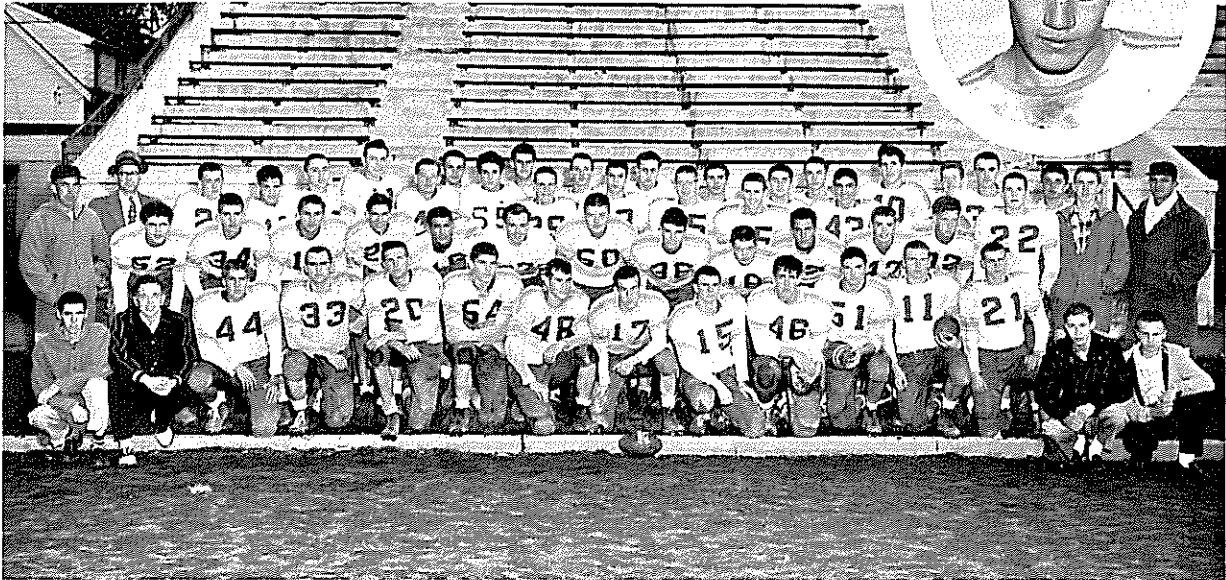

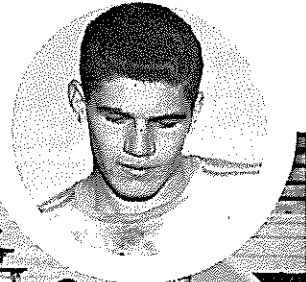

This year's officers are George Farley, President; Jim McConkey, Vice-President; Brian O'Bannon, Secretary; Gary Luhman, Treasurer; and Sam Sanders, Sergeant-at-arms. Working under Mr. Rogers and "Fearless" Farley, Varsity Club once again had an excellent year of progress and achievement.

Although the five win, three loss record of the 1955 Blue Devils may not do justice to it, this season was one of the finest Kenmore has had in its football history. Under the superb guidance of Coach Jules Yakopovich, the team ran up a combination of 2,174 yards of rushing and 183 yards of passing for an outstanding total of 2,357 yards. The season opened with a hotly contested battle against our traditional rivals, the Lumberjacks of North Tonawanda. Even though Kenmore led in rushing, passing, and number of first downs, the score at the end of the game contradicted with a 7-0 victory for N. T. After downing Lockport and Tonawanda in quick succession, the team traveled to the Cataract city to play a well-coordinated Niagara Falls eleven. Even with the greatest of effort, things just didn't click, and the game ended 14-0, with Niagara Falls on top. After La Salle and Trott were submerged in succession, Dick Barnaby, scoring 18 points altogether, plunged over for a last-minute tally to defeat Jamestown, 25-21. The season came to a close with the tight heart-breaker with Lackawanna. On an extremely muddy field in the Lackawanna stadium, our team was defeated by the spirited Steelers in a drizzling rain, 13-6. Thus the season ended.

Mr. J. Yakopovich

Mr. J. Oelkers

Outstanding during the season were Dick Barnaby, with a phenomenal total of 1,115 yards rushing and an average per carry of 7.77 yards; and Dave Watson with an average of 6.54 yards per carry. On the line, Captain Sam Sanders, Sunny Winters, and Bill Wardwell gave opposing teams food for thought. Three Kenmore players attained high honor in being selected for the first string All-League team: Dick Barnaby, Sunny Winters, and Captain Sam Sanders, with Dave Watson placing on the second string. We pass on the fighting spirit of the football Blue Devils to the 1956 squad under the leadership of Captain-elect Ed Sill, and hope that next season will be as successful as our great school deserves.

J. V. FOOTBALL

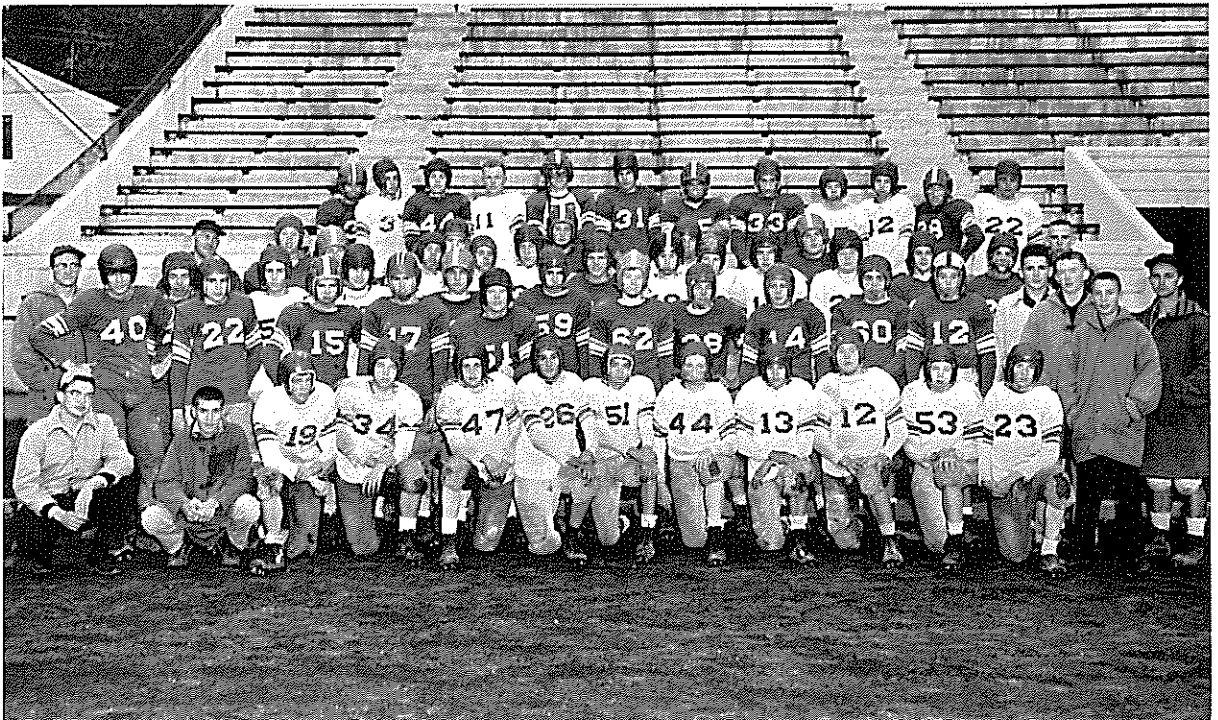

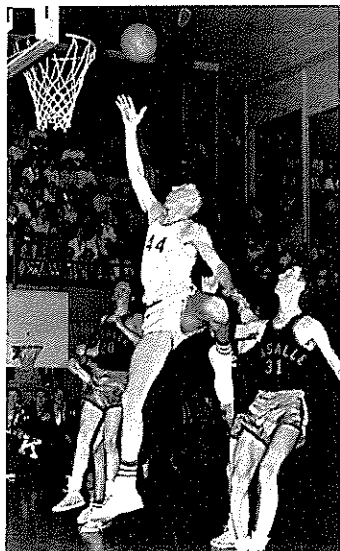

Mr. A. MacGamwell

Mr. D. Zeal

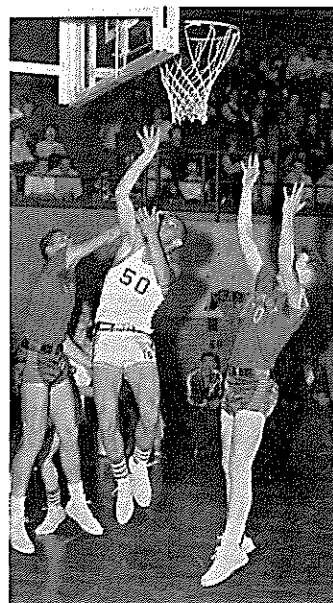

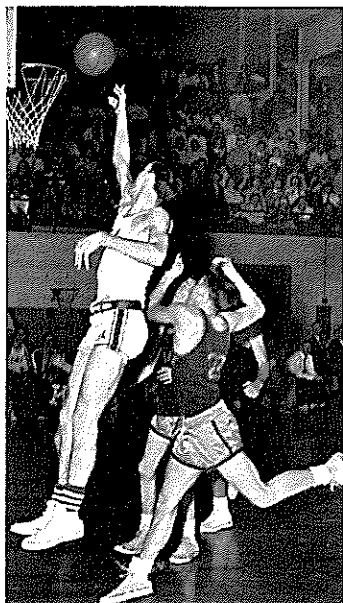

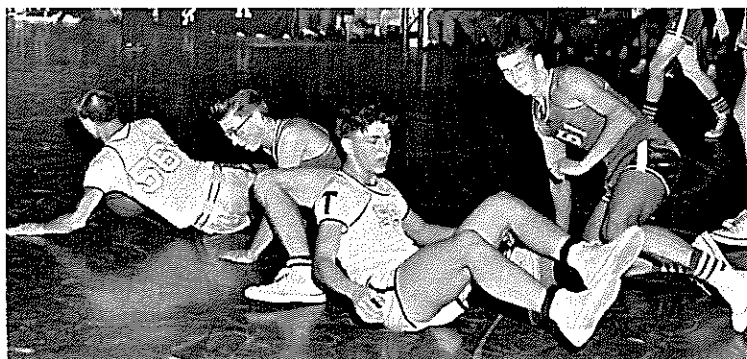

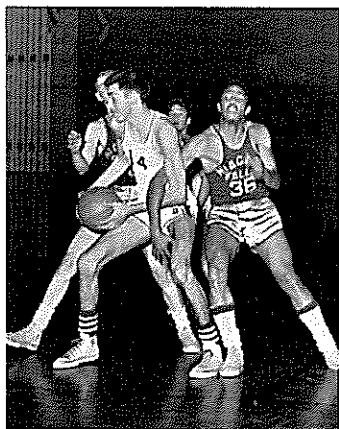

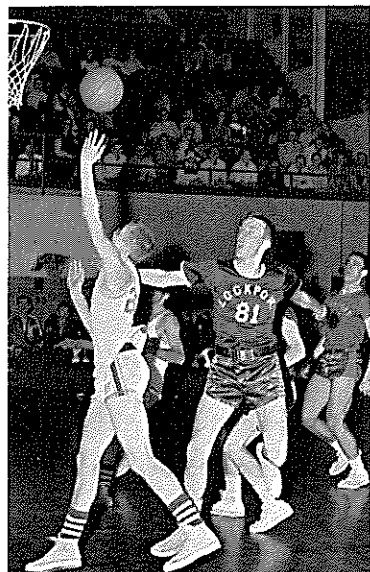

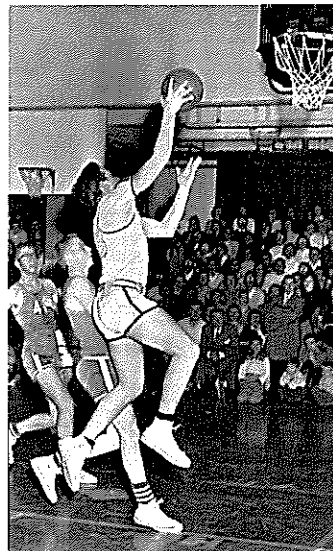

Mr. K. Crissey

Although the JayVee Football team's record of no wins and four losses appears to be a sign of a poor season, the games were hard-fought and usually the closing minutes decided the final score. Coaches A. MacGamwell, D. Zeal, and K. Crissey worked hard to develop the boys for future Varsity positions. Outstanding on this year's JayVee squad were Dave Schneider, Jim Hagadorn, Tom Kenny, Dave Rosenthal, Bill Libby, Sal Cedita, Jim DaMico, and Freshman Don Shields. We're all looking forward to seeing them in Varsity competition next year.

VARSITY BASKETBALL

Row 1: Bill Fullem, Owen Doyle, Bob Goergen, Capt. George Farley, Bill Wiley, Gary Warner, Mike Woods.
Row 2: Dave Eckerman, Dan Trumble, Dick Peck, Stu Hemple, Don Johnson, Dave Pitkin, Coach Charles Rogers.

For the first time in thirty-three years, under the superb coaching of Mr. Charles Rogers, Kenmore's basketball team has finished in first place. Although Kenmore and Lackawanna will share the trophy symbolizing first place because of the co-championship, the Blue Devils proved their supremacy by humbling Lackawanna in the post-season playoffs.

Kenmore's untried, tall quintet suffered an early season loss to the "Steelers" on their narrow court, but then produced a string of impressive victories. Plagued by a poor shooting percentage of Tonawanda's court, our boys suffered their second defeat in an exciting overtime tilt. The second encounter with Lackawanna proved costly as our boys were defeated. Highly-spirited Kenmore finished strong to tie for the Niagara Frontier League champion-

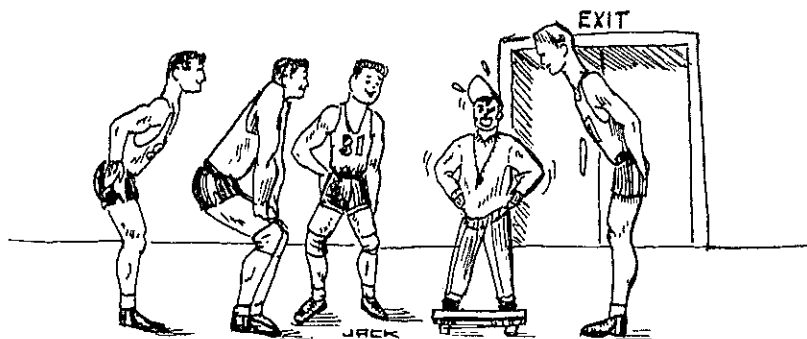

ship. In the post-season playoffs, due to "Stop Farley" defenses, Dan Trumble, Don Johnson, and Bob Goergen shared scoring honors to lead the team to victory over Lackawanna; thus, enabling them to try for the Section title. But the strain of having to play three games in four days proved too much for our tiring quintet and Amherst edged us in an exciting tilt.

For their outstanding performance throughout the season, the entire team composed of Owen Doyle, Stu Hempel, Dick Peck, Dave Pitkin, Bill Fullem, Dick Thompson, Dave Eckerman, Mike Woods, and regulars Capt. George Farley, Gary Warner, Bob Goergen, Bill Wiley, Dan Trumble. Don Johnson deserve credit. George and Gary were particularly tremendous throughout the season and gained recognition when they were selected to the N.F.L. All-League team. Capt. George, six foot seven inches, wrapped-up the league scoring title by amassing a total of 308 points. Again, congratulations to the entire squad!

J. V. BASKETBALL

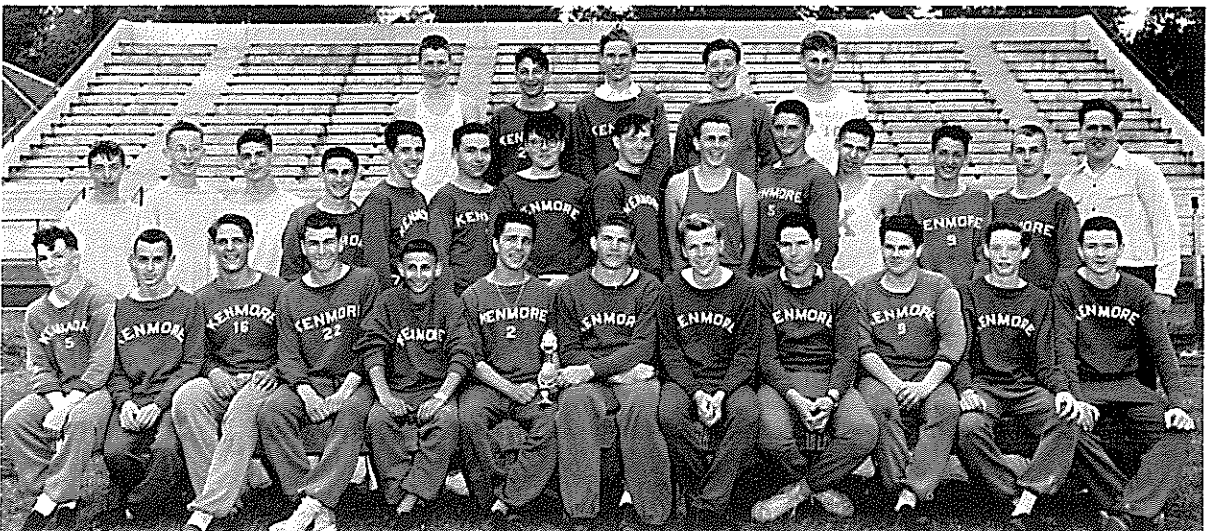

"It was a long, cold winter" is a familiar phrase voiced by Mr. Michael Stark.

Mr. Stark, able coach of the Jay-Vee basketball team, often uses this quotation when asked, "How goes it with the Jay-Vees." This reply was the result of his difficulty in finding a winning combination, for their record was one win and thirteen losses

for the season. Although their record is not impressive, the games were won by slight margins; often the difference being the lack of experience.

Varsity hopefuls on the Jay-Vee team this year consist of Sophomores Bob Reid, Ron Rohe, Wes Mayer, Jim Rindfuss, Bill David, and Bill Libby.

VARSITY SWIMMING

Kneeling: R. Willis, D. Warner, R. Mather, G. Stouffer, T. Smith, P. Corbett. *Standing:* S. Graves, C. Metzger, D. Spencer, G. Trimble, R. Schilling, H. J. McConkey, D. Shuff, P. Cook, D. Tatnall. *On the diving board:* Manager Clare Straw, W. Cooper, J. Buckley, D. Shideler, T. Brunton.

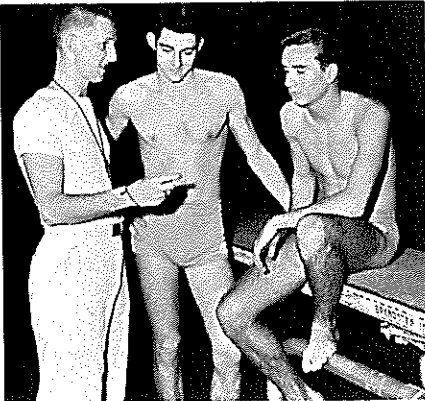

This year's tankmen finished in second place for the second time in as many seasons under Coach Hancher's direction. Captains Gary Stouffer and Roger Mather worked closely with Mr. Hancher and were largely responsible for the team's success.

Tonawanda offered considerable resistance before being subdued 40-37 in Kenmore's initial meet. Lockport and LaSalle were sunk 55-22 and 54-14 respectively. Kenmore's fourth straight win was over Niagara Falls. North Tonawanda stopped our string with a 43-34 victory. Tonawanda lost again to Kenmore in the beginning of the second round. This contest was highlighted by Kenmore's 200 yd. free-

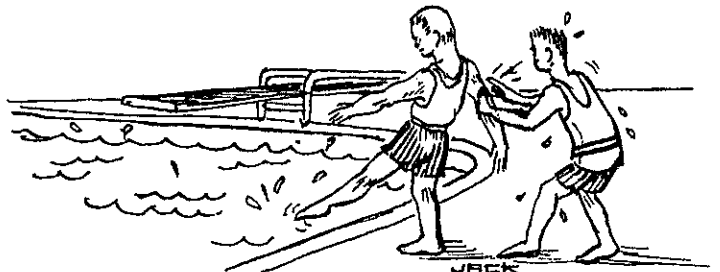

style relay team of Dave Shuff, Pete Cook, Capt. Stouffer, and Pete Corbett. This team set a new pool, school, and league record of one minute 41.7 seconds. The following week Corbett tied the Lockport pool record of 57.7 seconds in the 100 yd. free-style as the "Lions" fell by an identical score. LaSalle was also defeated in turn by our mermen. Next, Kenmore defeated the "Cataracts" to make their record 8-1. In the final meet N.T. won their third straight league title as they outscored Kenmore 51-26.

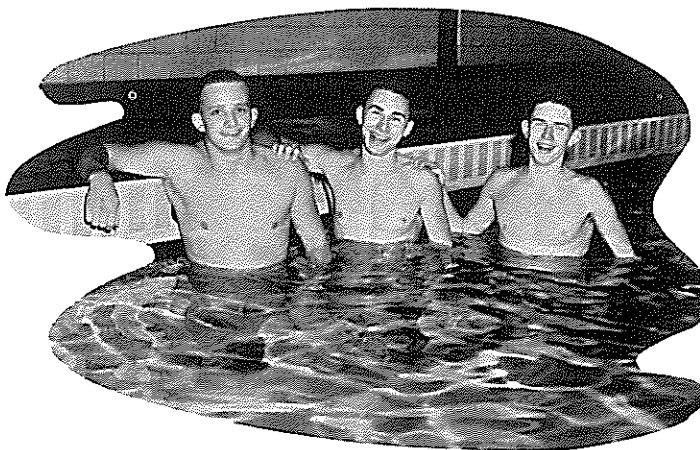

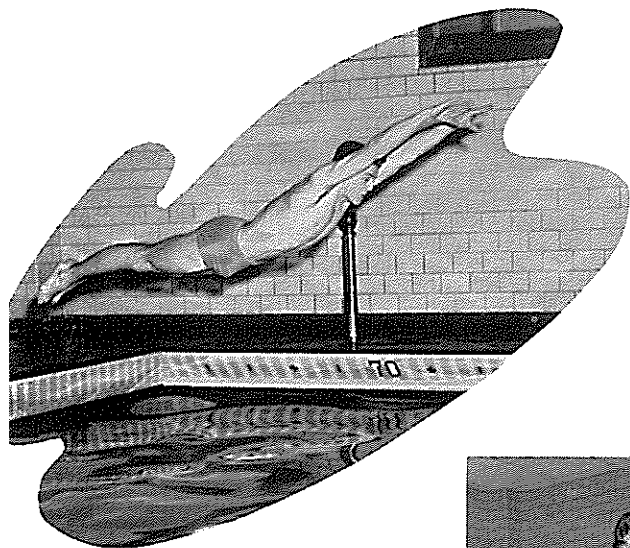

Outstanding during the season were co-captains Stouffer and Mather; breaststroker Tom Smith, Rod Willis in the backstroke, 200 yd. freestyler Dan Warner, diver Wayne Cooper, and Jim McConkey; plus undefeated Pete Corbett, who individually scored 73 points.

Next year should prove successful when letter-winners Cooper, Corbett, Graves, Metzger, Shideler, Shuff, Spencer, Warner, and Willis go into action.

OUR
MERMEN

IN
ACTION

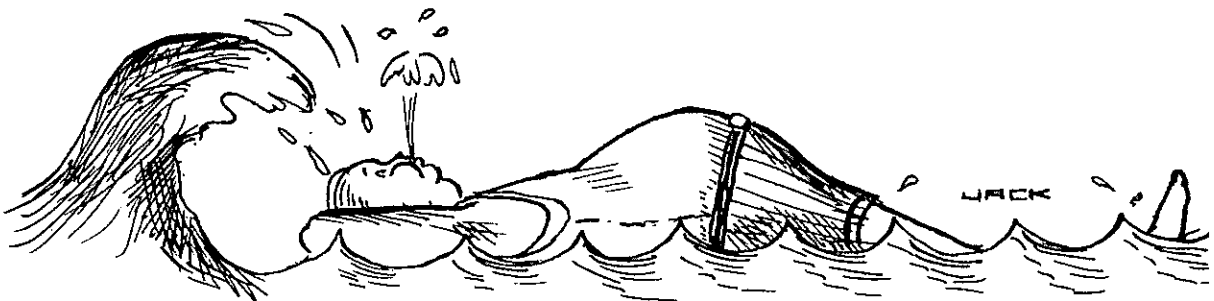

J. V. SWIMMING

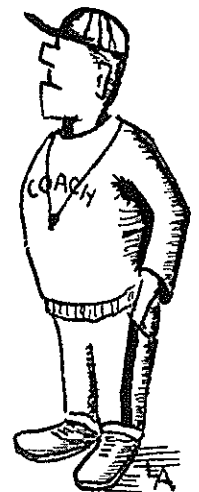

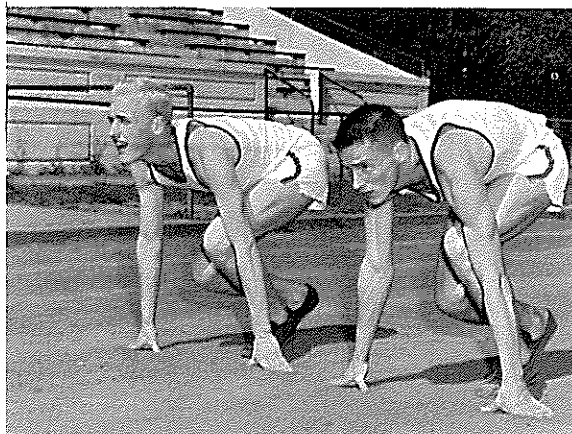

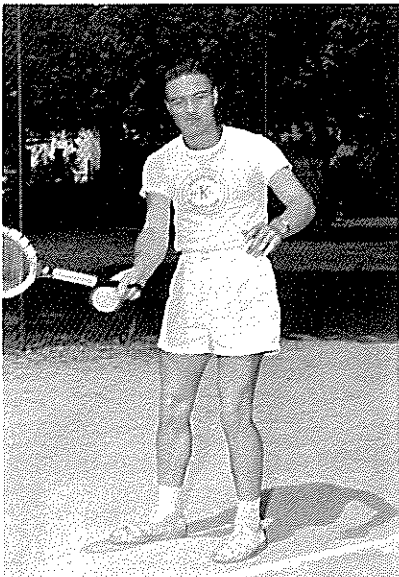

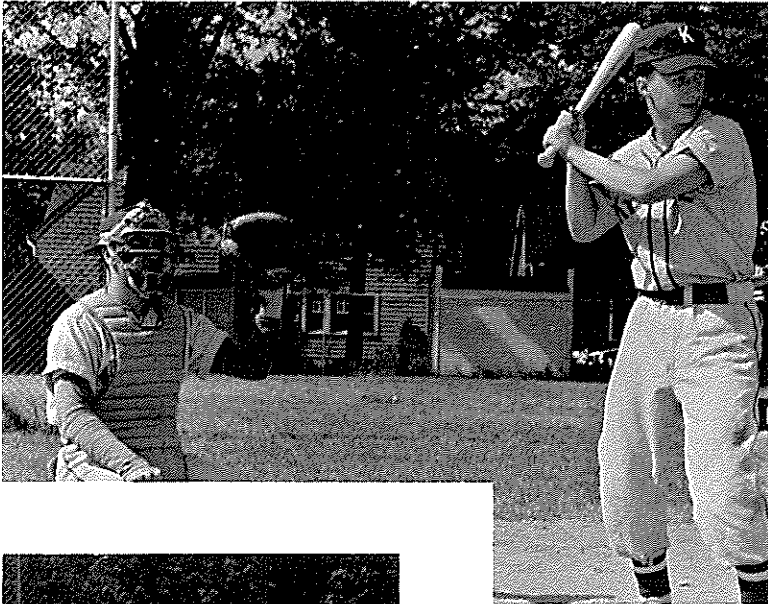

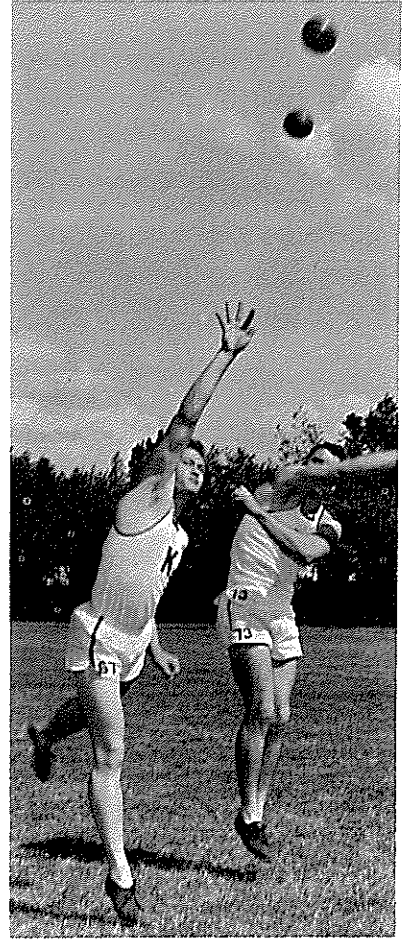

The "Junior Mermen" finished the '55-56 season in a first place deadlock with North Tonawanda's "Lumberjacks." The little mermen were undefeated in all but their last meet. Tonawanda fell 47-30; Lockport, 70-7; LaSalle was downed 62-6; Niagara Falls was next at 61-16; and N.T. lost 40-37 in a close meet. The second round, a similar pattern with Tonawanda losing, 41-36; Lockport went under at 67-10; highly improved LaSalle scored 24 to the Jayvees' 44; and Niagara Falls dropped another, 59-18. North Tona-

wanda stopped the Kenmore streak at nine straight with a 53 to 24 defeat for a first place tie. Strong supporters of this year's squad were Keith Adams, Jerr Gergley, Gil Green, Cal Greenwood, Keith Laue, Bill Mattern, Jack Miner, Tim Prell, Niel Waldov and Dave Williams. Next season's varsity will be relying on these boys, while the coming season J.V. looks forward to a large turnout of freshmen moving up.

SPRING SPORTS

GOLF

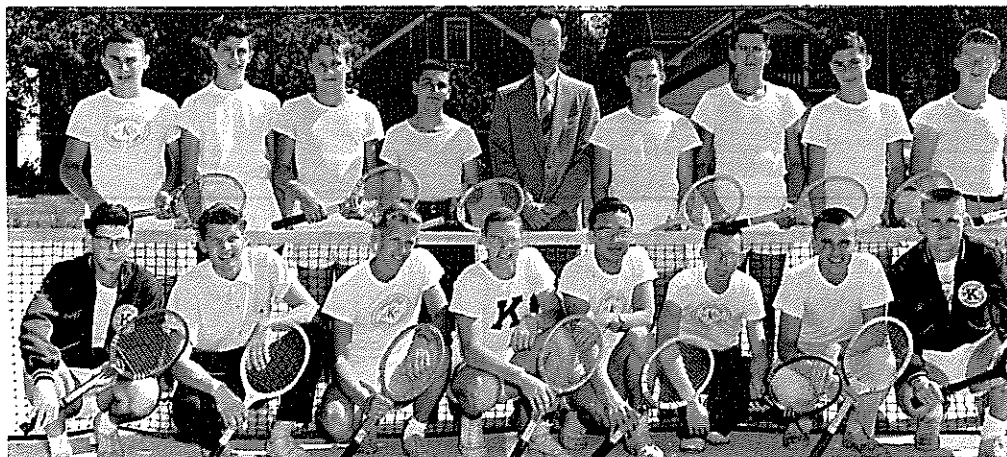

Row 1: Rich. Oates, Steve Dobso (Capt.), Ron Oates, Bob Braun, Clare Straw. *Row 2:* Coach Mellie Mooshie, Doug Spencer, Rog Gray, Tim Leixner, Chuck Riter, George Adema, Bill Mattern, Bill Libby, Bob Frary.

The 1955 season proved to be successful as the "Blue Devils" finished in third place under the watchful eyes of coach Mellie Mooshie. The team was built around last year's reserves plus Captain Steve Dobso and Ron Oates, Kenmore's only returning lettermen. The group dropped two very tight matches to Lackawanna and Niagara Falls, but won easily over Trott and LaSalle compiling a won four and lost four record.

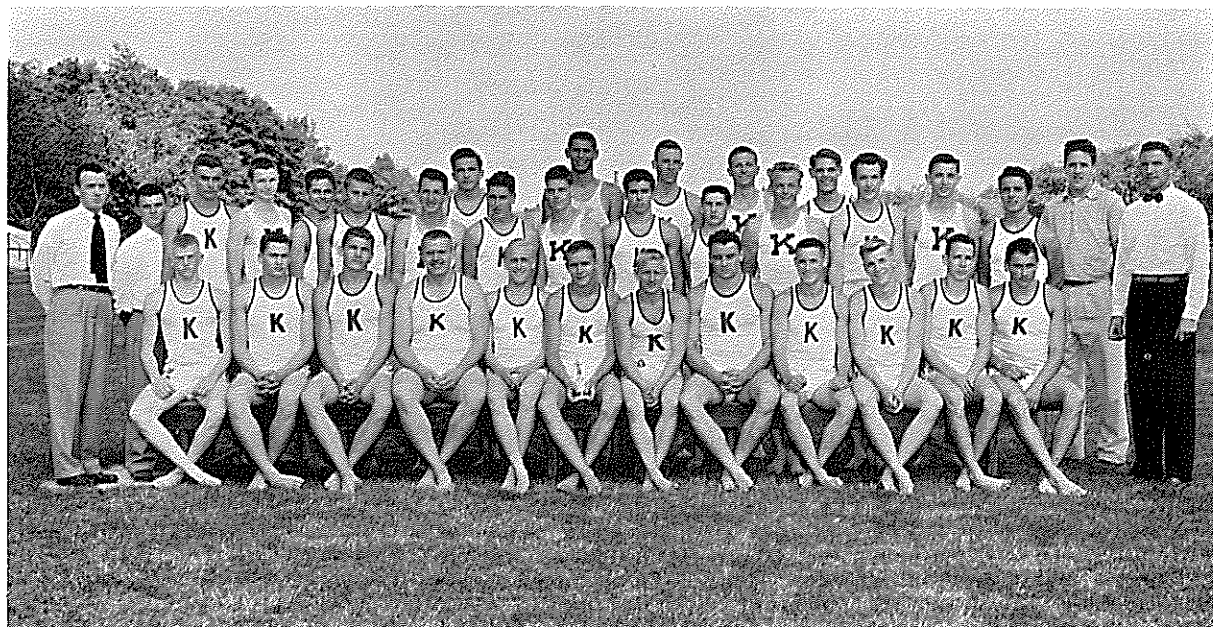

Precision golf was turned in by letterwinners Chuck Riter, Bob Taylor, Bob Frary, Doug Spencer, and Freshmen Rich Oates and Roger Gray. Competition for the returning lettermen will be provided by: Tim Leixner, Clare Straw, Bill Mattern, Bill Libby, George Adema, Jack Braun. Contests will be hard-won for all are bidding for berths on the starting five. Prospects for the coming season are sanguine as Captain-elect Ron Oates and company will provide a hard-to-beat team in the Niagara Frontier League.

TENNIS

Kneeling: P. Wolf, D. Joslyn, D. Deuell, G. Luhman, T. Pakurar, J. Tutton, B. O'Bannon, J. Rustay. *Standing:* J. McConkey, R. Pannier, J. Pochopin, J. Goldberg, Coach George Wessel, A. Kratz, K. Schmidt, V. DiPasquale, E. Walmuth.

The Blue Devil net men clinched our chances for the University of Pennsylvania Trophy by an undefeated season and an N.F.L. championship. Strengthening the prowess of the team were returning lettermen Captain Jim Rustay, Pete Wolff, Joe Tutton, Don Joslyn, Don Deuell, Gary Luhman, and Tom Pakurer. Tom brought extra fame to Kenmore by copping the N.F.L. Triple "A" Singles championship at the end of the year. Tall and able coach George Wessel anxiously awaits the 1956 season, for he anticipates an excellent league record. Captain Don Deuell, Gary Luhman, Brian O'Bannon, and Don Joslyn are wished the best of luck as they enter stiff N.F.L. competition.

Row 1: D. Unkrich, S. Zimmerman, S. Sanders, L. Small, J. Estey, T. King, D. Gaynor, R. Faulks, E. Gibson, R. Theis, L. Karr, D. Reed. Row 2: Mr. F. Hyatt (*Assistant Coach*), B. Wardwell, R. Cowles, G. Trimble, C. Antos, R. Preston, E. Hryckowian, K. Scharnweber, D. Cowan, B. Woodward, B. Friedman, C. Marlak, G. Farley, J. Ward, T. Smith, J. Chaltain, T. Wiley, R. Bulger, J. Coleman, P. Scavone, J. Morrison (*Manager*), Mr. A. MacGamwell (*Head Coach*).

The highly successful 1955 track season owes its championship record to our able coaches Mr. Alec MacGamwell and Mr. Frank Hyatt, and our track leader Captain Tom King.

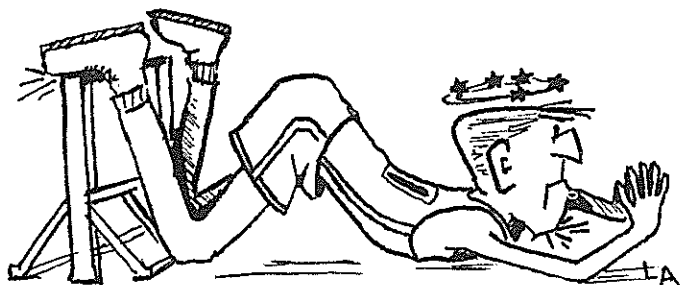

Averaging 83 points per meet, the undefeated Blue Devils excelled in the highly competitive shotput and discus events. Stu Zimmerman and Bob Faulks broke the league record within minutes of each other, with Faulks' 52 feet 4½ inches setting school, league, and district marks. In the discus, George Farley set a new school record of 136½ feet, and Sam Sanders' throw was inches behind.

No less successful in the Section VI AAA finals, Kenmore scored 42 points, as three boys won individual events. Top honors went to Dave Watson, first in 180 yard hurdles; Stu Zimmerman, first in

shotput; and Sam Sanders, leading the discus event. The remainder of the points was racked up by ten other boys who placed.

Outstanding of an outstanding season were: Captain King in the broad-jump; 220, and 440 relay; Dick Gaynor in the 440; high-jumper Don Read; Ed Gibson of the half-mile; Bob Cowles in the 880, and Dennis Cowan and Leo Karr in the polevault. Captain Tom set an individual season scoring record for Kenmore in registering 60 and three-fourths points.

Hopes are high for a third championship season, (just to keep the coaches' two-year, two-win record clean) for captain-elect Bob Cowles will have ten returning lettermen to work from, and imports from last year's undefeated Junior Varsity team.

VARSITY BASEBALL

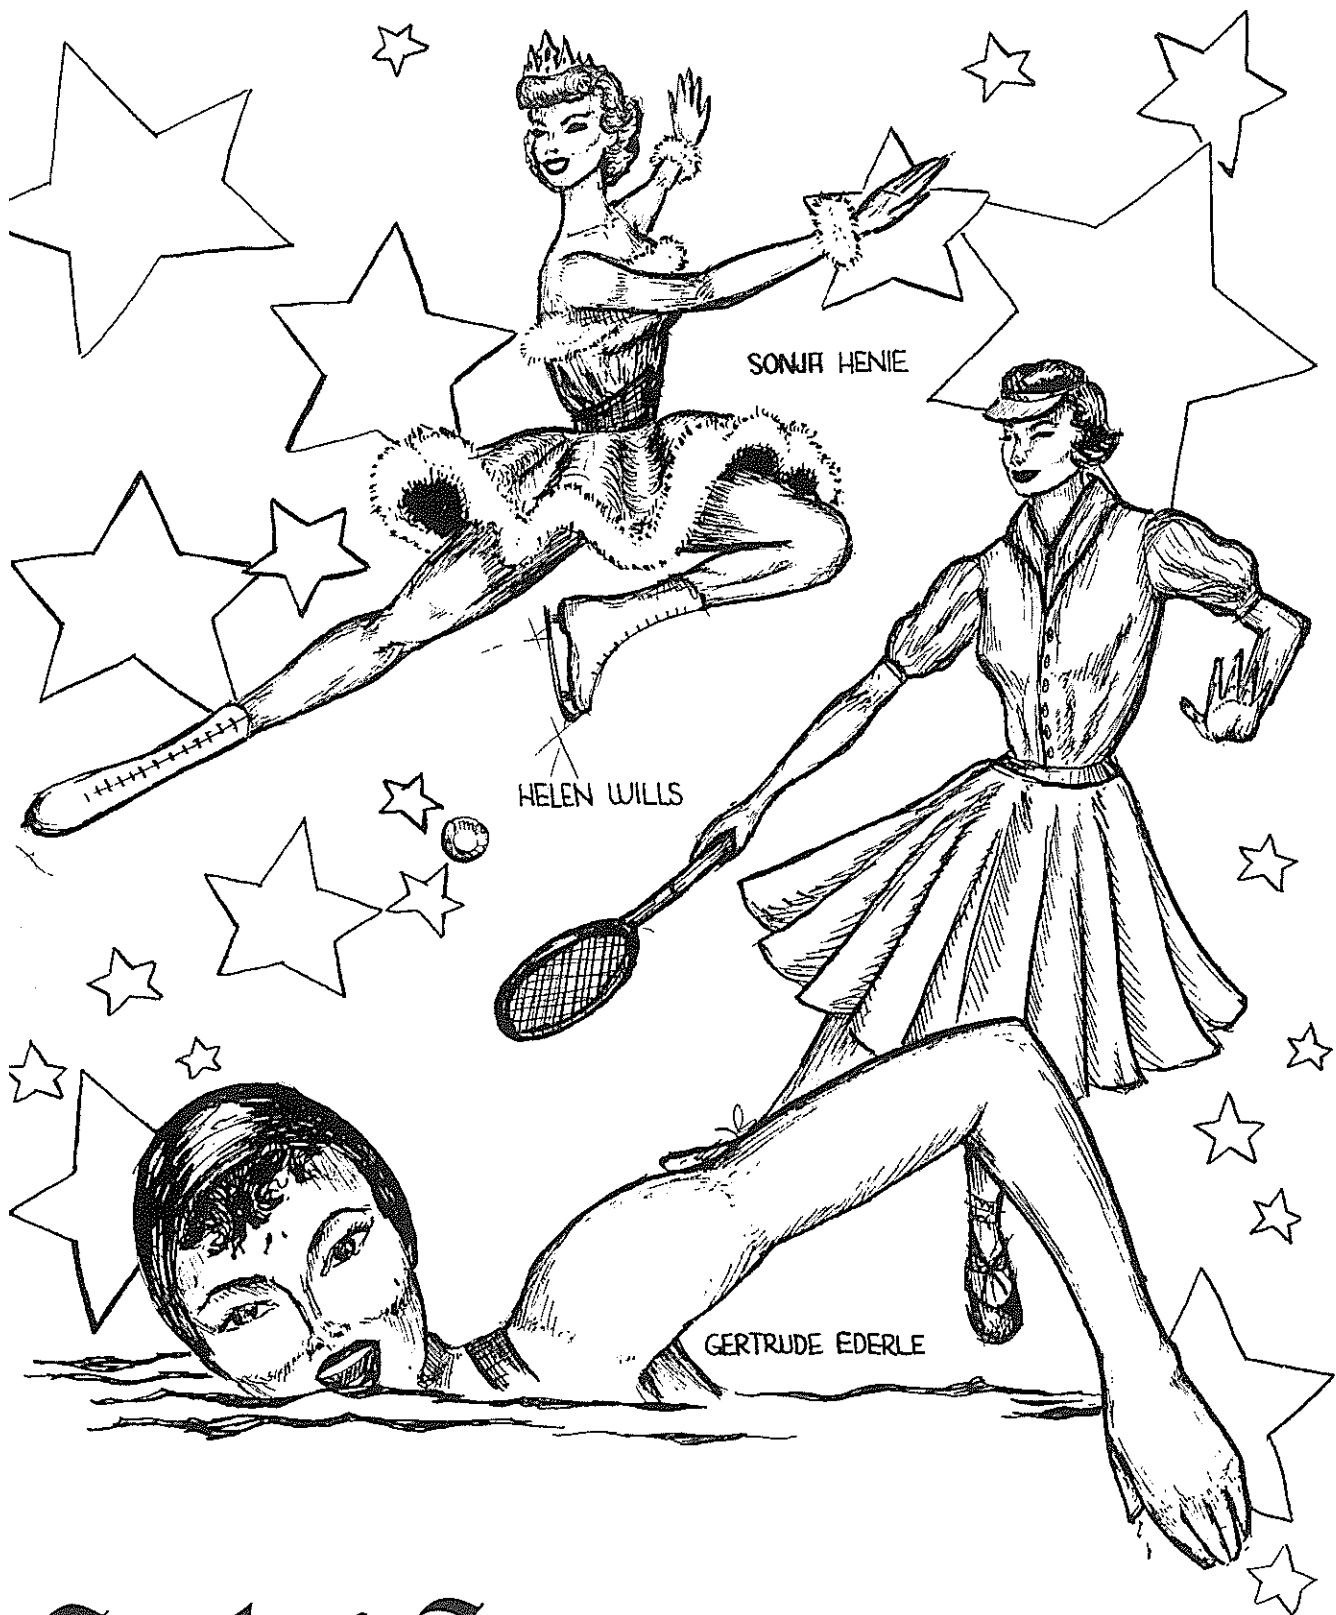

Row 1: D. Johnson, D. Root, R. Barnaby, R. Bickler, J. Besch, R. Hammett, J. Yunker, D. Stuhmiller (*Capt.*), L. Aiken, E. Robinson, J. Zimmerman. Row 2: Tom Kenny (*Coach*), A. Sweeney, C. Startt, R. Barley, R. Rohe, T. Moore, W. O'Neil, K. Winnert, G. Davis, M. Buckley, D. Schmidt, W. Preble, J. Rindfuss.

Swish!! Another batter strikes out under the fine pitching arm of Tom Moore! T-Bone, exerting a tremendous effort, pitched one of the rare no-hitters in the history of the Niagara Frontier League. Fine pitching depth coupled with consistent hitting by Dave Stuhmiller and Bob Bichler provided an unbeatable combination. The record was 11-1 in league

play, which was more than enough to bring the trophy to Kenmore again. Dave and T-Bone received All-League recognition along with Dick Rohe and Ken Winnert; Dave for his batting average of .500 plus, T-Bone for his superiority on the mound (6-0), and Dick and Ken for consistency in the field and at bat. Although Kenmore outthit Olean, nevertheless they were upset by a strong Olean nine in the final round of the Section Six championship.

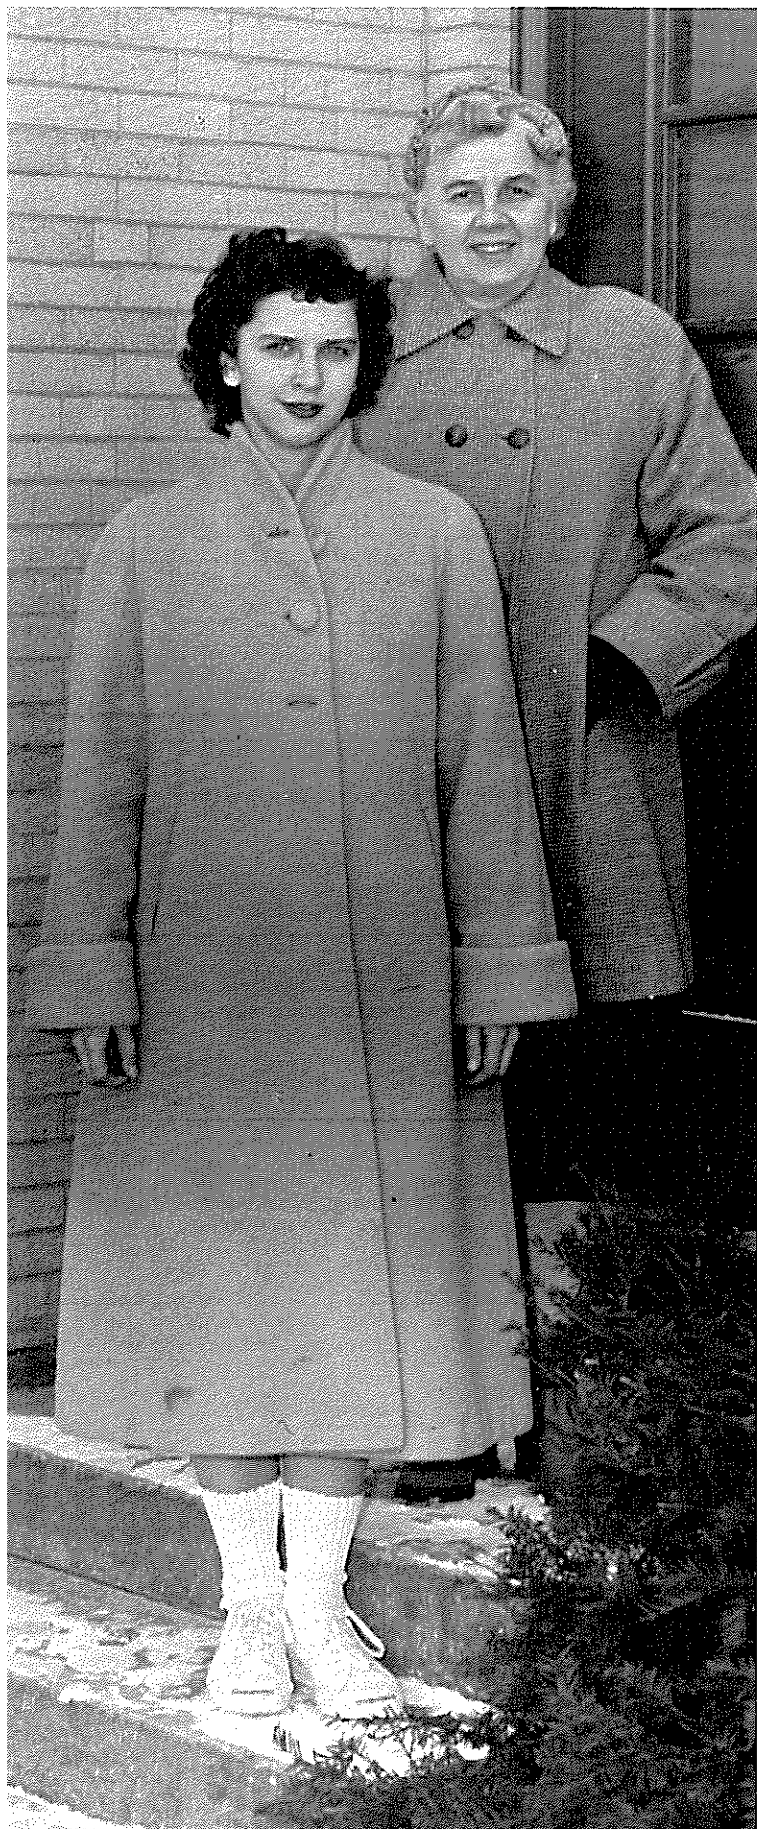

Captain Bob Barley will have a hard time building up this year's team, for the only returning lettermen are Capt. Bob, Don Root, and Dick Barnaby. We expect great things from the team under the able leadership of Captain Bob.

Girls' Sports

Judy Syphier

We girls at Kenmore are very fortunate in having the opportunity and facilities for participating in the diversified program of sports offered, both in class and after school. Our wonderful teacher, Miss Kaufman, has been greatly aided by Mrs. Bailey, who is new to our staff this year. Both instructors have contributed greatly to our development of better athletic ability and sportsmanship, in addition to making it possible for our basketball and field hockey teams to compete against several area schools.

Sacrificing our viewing of the football games, we have done our year's good deed by selling hot dogs and candy to ever hungry spectators. There is a reason for all this self-sacrifice. The profits help buy pins and letters and pay for the June banquet, at which we award special awards and letters. Membership in our sterling organization is achieved by participating in after-school sports and winning a certain number of points. This helps further the purpose of our organization: to promote sportsmanship and co-operation in Girls' Sports. By dint of President Evie MacDonald's efforts and those of our advisor, Miss Kaufman, we have enjoyed an especially satisfying and successful year.
