# Color, Color, Color!

Project: Coloring Pages

Process: Individual coloring pages based on fantasy landscapes and abstraction. Feel free to explore the use of arbitrary color when deciding how you want the picture to look.

## Key Vocabulary & Definition:

Fantasy : suggesting the supernatural,

Abstraction : free from representational reality, Arbitrary Color: a choice of color that isn't connected to how things really look (think...purple cat, green skin, etc.)

## Materials Needed:

- Crayons
- Colored Pens
- Colored Pencils

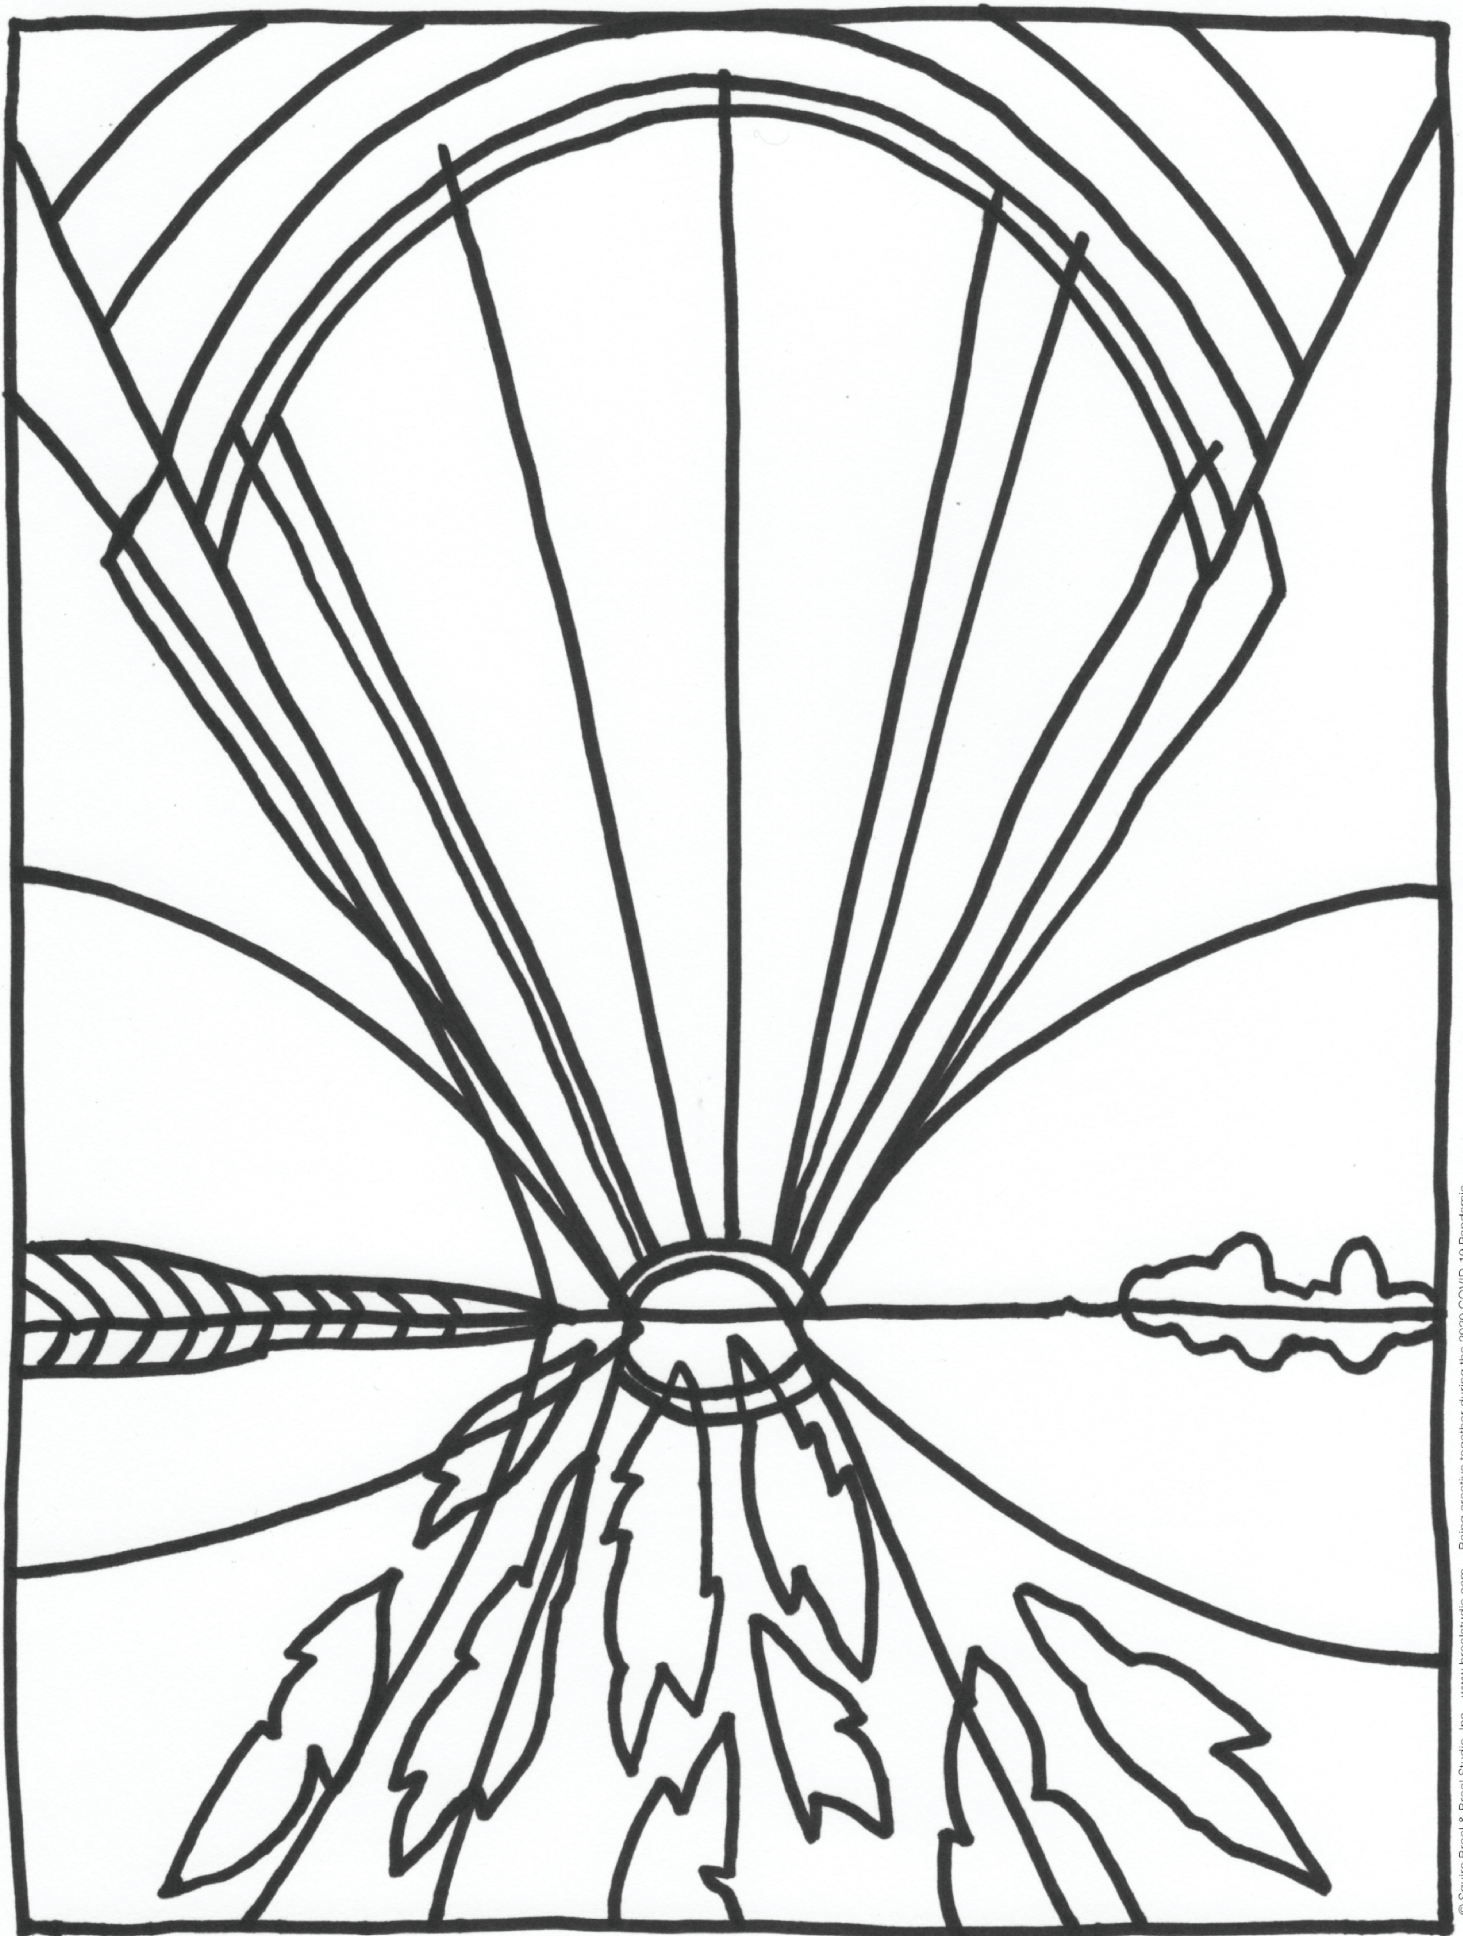

## Instructions :

1. Look at the drawing and think about how you might want to color it.
2. Choose your coloring tools (crayons, pencils, pens – or a mix of all of them.)
3. Color away!
4. When you finish coloring, don't forget to sign your name or add you initials to the lower right corner.
5. Sit back and admire your picture.

## Clean up tricks:

1. Put your supplies away neatly.
2. Pick up any crayon bits or pencil shavings that may have fallen near your coloring area.
