

HOPE OF AMERICA 2024

Set list in performance order *with instructions*

STAR SPANGLED BANNER *Stand and raise flag as color guard enters arena - right hand over heart, flag held still in the left. Keep flag raised through the pledge, the national anthem and the color guard exit from arena. (flag is stored in the cup holder in front of student's seat after singing)*

Oh say, can you see, by the dawn's early light,
What so proudly we hailed, at the twilight's last gleaming?
Whose broad stripes and bright stars, through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming.
And the rockets' red glare, the bombs bursting in air
Gave proof through the night that our flag was still there.
Oh, say does that Star Spangled Banner yet wave?
O'er the land of the free and the home of the brave.

HOPE OF AMERICA - *With actions*

CHORUS: We're the hope of America.

Where there's hope there's America.

She's a land that we love,
blessed by heaven above.

Please protect our rights and liberty.

We're the hope of America.

Stand and shout for America.

Where the brave, where the strong, where the dreams
belong

The hope of America.

Keep the spirit alive with a heart united

Working with each other every day.

Be courageous and strong with a voice that's singing

Hail to the USA!

We will fight for our honor, defend our freedom

Just like Abe Lincoln we will say.

United we stand, divided we fall.

This is our country she needs us all.

REPEAT CHORUS: America! America! America! My own!

UTAH – THIS IS THE PLACE! - *Sing while video is shown*

Utah! People working together.

Utah! What a great place to be.

Blessed from heaven above;

it's the land that we love!

This is the place!

Utah! With its mountains and valleys.

Utah! With its canyons and streams.

You can go anywhere,

but there's none that compare.

This is the place!

It was Brigham Young who led the pioneers across the plains.

They suffered with the trials they had to face.

With faith they kept on going 'till they reached the Great Salt Lake.

Here they heard the words, "This is the place!"

Utah! With its focus on family.

Utah! Helps each child to succeed.

People care how they live.

Each has so much to give.

This is the place!

Utah! Getting bigger and better.

Utah! Always leading the way.

New technology's here.

Growing faster each year.

This is the place!

There is beauty in the snow-capped mountains,
in the lakes and streams.

There are valleys filled with farms and orchards too.

The spirit of its people shows in everything they do.

Utah is the place where dreams come true.

Utah! With its pioneer spirit.

Utah! What a great legacy!

Blessed from heaven above.

It's the land that we love.

This is the place!

Utah! Utah! Utah! This is the place!

I HAVE A DREAM - *Sing while video is shown*

"I have a dream" that one day we will see

A world that's filled with hope, peace, and harmony.

A place where all are free and have equality.

That is the way it ought to be!

CHORUS: I have a dream, I have a dream
For all of God's children, let freedom ring!
Martin Luther King said, "I have a dream."
Now's the time for brotherhood. Let's all join hands and sing.

"I have a dream" that one day there will be
Fair laws and civil rights for all humanity.
And justice is for all, men walk with dignity.
That is the way it ought to be!

REPEAT CHORUS

It doesn't really matter the color of our skin
But the content of our character is where we should begin!

"I have a dream" that one day we'll be free
From hate and racial strife and senseless cruelty
A brotherhood of man where all of us are free.
That is the way it ought to be.

REPEAT CHORUS

Now's the time for brotherhood. Let's all join hands and sing.
I have a dream!

THE BILL OF RIGHTS – With actions

In our Constitution, there's a written guarantee,
That defends our rights, and protects our liberty.
It's called The Bill of Rights, forever it will be
The document of freedom that will keep this country free.

CHORUS: Free to peaceably assemble.

Free without punishment or fear.

Free to petition any grievance,
we want our government to hear.

We are free to speak and print our thoughts.

Free to disagree with what they say.

Free to have a trial by jury.

Free to worship how we may.

We just cannot be deprived of life or liberty.
Due process of law is there protecting you and me.
We have the Bill of Rights, it's there to keep us free.
We have the right to choose and reach our destiny.

REPEAT CHORUS

It takes a lot of courage to have to say goodbye
Not knowing as you go to war if you will live or die.
Many make this sacrifice, and they fight to keep us free.
They're doing it for each of us. They're doing it for me!

CHORUS: Thank you, military. Our country's proud of you.
We are all so grateful for everything you do!
(figure 8 here) And with our flags a wavin', we'll proudly stand and say *(flag freezes and is held still for the duration)*

AMERICAN HEROES – *Sing while video is shown*

And that is the task that you do every day!

CHORUS: American heroes, you will always be
Forever remembered in our history.
American heroes, you'll never die in vain.
You live in our hearts and we honor your name!

To save someone else, you will search high and low
Risk your own life for those you don't know!

REPEAT CHORUS

American heroes, we honor your name!

OUR FLAG – THE RED, WHITE, AND BLUE *Using flags and standing on cue. Yellow shirts will wave flags through the entire song. Others will stand and wave their flag as the song lyrics cue them (and only then): for red, white, blue, stars (from blue schools), and stripes (red and white schools). See bolded lyrics below.*

A promise for our future, a reminder of our past
The flag of the United States, a symbol meant to last.
And when we see it waving, Let's pledge allegiance to
This symbol of our country – the red, white, and blue.

CHORUS: **Red** in our flag it stands for courage

Blue symbolizes loyalty.

White is the color - unlike all others - it stands for purity.

One **star** for each state in our union

Stripes for the thirteen colonies (stripes sit down)

Liberty under law, it is a symbol of a country that is free.
We're proud to see these colors wave over land and sea.
This banner of America says that we are free!
With hearts and hands together, we show our reverence to
This emblem of our country – the red, white, and blue.

REPEAT CHORUS

All our hearts are filled with pride when the flag goes marching by.

This country will always be a land of liberty!

REPEAT CHORUS

Optional: At this point in the show, teachers may have students pass flags down the row, but please wait until the video begins for I Love America.

I LOVE AMERICA – Sing with video

I love to see a baby - a mother's tender care.

The future of America she is holding there.

I love to see small children with hands upon their heart.

They pledge allegiance to our flag before their lessons start.

I love to see "Old Glory" in the breeze

Stars and stripes shining bright - It tells the world we're free.

CHORUS: I love America! Long live this land of liberty.

I love America! This is the place I want to be.

I love this land from sea to shining sea.

I love America the homeland of the free.

I love to see the farmlands and smell the new mown hay,

A farmer on a tractor working hard each day,

I love to see a church house where people go to pray

They are seeking guidance to live from day to day.

Many different cultures I can see.

They all came to this land. They wanted to be free!

REPEAT CHORUS

We stand united all as one defending our liberty.

And honor those who fight to keep us safe from harm

Protecting our right to be free.

REPEAT CHORUS

I love America. I love America.

I love America, the homeland of the free

AMERICA ROCKS – With actions and sun glasses

If you see a great big smile lighting up my face,

It's because I know I live in a downright wonderful place.

When I see red, white, and blue, my heart turns inside out,

From a feeling deep inside that makes me want to shout!

CHORUS: America Rocks! America Rocks!

From its busy bustling cities to its quiet country walks,

America Rocks.

It's totally cool, It's totally hot! I mean it's like right there at the top!

America Rocks! America Rocks! America Rocks!

When you hear my happy voice singing clear and strong,
Maybe you could join right in and we'll all be singing along.
When we sing allegiance to this country that we love,
We can let the whole world know we're feeling great
because

REPEAT CHORUS

Rocks! Rocks! Rocks! America Rocks! *(store sunglasses in cupholder in front of seat)*

WE CAN BE A LIGHT – with flashlights. Emphasis on flashlights COMPLETELY flat on student's knee to create our desired effect.

Wherever there is darkness, together we'll bring light.

Let it shine on all God's children - shine with all your might.

For those who feel forgotten, who are lost along their way,

This light's a new beginning - shining bright,

it's there to light the way.

CHORUS: We can be a light, shining everywhere,

All across America, showing people that we care.

Oh, let your light so shine, helping others find their way.

We can turn the darkest night into the brightest day.

We can make this light shine brighter by reaching out our hand

To the poor and to the needy all throughout this land.

Let's combine our lights together into one enormous ray.

This light's a new beginning, shining bright,

it's there to light the way.

REPEAT CHORUS

All across America, people reaching out their hand.

Bring your light and join our chorus.

Everyone, shine bright throughout this land.
